

The portal to the PSE Association

A good starting point for anyone with questions about PER/A or PER in general is the PER Association's website. At www.per.org, you can find information in English and German about current developments, from all relevant industries and from suppliers worldwide. Comprehensive background information and example applications explain the technology behind PER/A and its use in practice. You can view a video-on-demand series about PER/A and other PER standards. The website offers an overview of PER- and PER/A-related software products and services.

Users can contact the Association with specific questions. To do so, simply register on the website and describe your request on the discussion forum. Specialists and practitioners from around the world will provide informed answers and suggestions.
