Fear and Loathing in Las Vegas and Other American Stories Hunter S. Thompson, 1998-05-05 The 50th anniversary edition of the classic savagely comic account of a trip to Las Vegas that came to represent what happened to America in the 1960s and a founding document of gonzo journalism featuring the original artwork by Ralph Steadman and a new introduction by Caity Weaver First published in Rolling Stone magazine in 1971 Fear and Loathing in Las Vegas is told through Hunter S Thompson s story of an assignment he undertook with his attorney to visit Las Vegas and check it out The book stands as the final word on the highs and lows of that decade one of the defining works of our time and a stylistic and journalistic tour de force As Christopher Lehmann Haupt wrote in The New York Times it has a kind of mad corrosive prose poetry that picks up where Norman Mailer s An American Dream left off and explores what Tom Wolfe left out This 50th anniversary Modern Library edition features Ralph Steadman s original drawings a new introduction by New York Times writer Caity Weaver and three companion pieces selected by Thompson Jacket Copy for Fear and Loathing in Las Vegas Strange Rumbblings in Aztlan and The Kentucky Derby Is Decadent and Depraved *Fear and Loathing in Las Vegas* Hunter S. Thompson, 1982 Fear and Loathing in Las Vegas is the best chronicle of drug soaked addle brained rollicking good times ever committed to the printed page It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken Now this cult classic of gonzo journalism is a major motion picture from Universal directed by Terry Gilliam and starring Johnny Depp and Benicio del Toro **Fear and Loathing in Las Vegas** Hunter S. Fear and Loathing in Las Vegas Hunter S. Thompson, Borys Previr, 1971-11-11 World wide famous novel by a gonzo writer H S Thompson is now available in Ukrainian Translated by Borys Previr [Fear and Loathing in Las Vegas](#) Hunter S. Thompson, 2017-12-25 We were somewhere around Barstow on the edge of the desert when the drugs began to take hold I remember saying something like I feel a bit lightheaded maybe you should drive And suddenly there was a terrible roar all around us and the sky was full of what looked like huge bats all swooping and screeching and diving around the car which was going about a hundred miles an hour with the top down to Las Vegas And a voice was screaming Holy Jesus What are these goddamn animals Then it was quiet again My attorney had taken his shirt off and was pouring beer on his chest to facilitate the tanning process What the hell are you yelling about he muttered staring up at the sun with his eyes closed and

covered with wraparound Spanish sunglasses Never mind I said It s your turn to drive I hit the brakes and aimed the Great Red Shark toward the shoulder of the highway No point mentioning those bats I thought The poor bastard will see them soon enough It was almost noon and we still had more than a hundred miles to go They would be tough miles Very soon I knew we would both be completely twisted But there was no going back and no time to rest We would have to ride it out Press registration for the fabulous Mint 400 was already underway and we had to get there by four to claim our sound proof suite A fashionable sporting magazine in New York had taken care of the reservations along with this huge red Chevy convertible we d just rented off a lot on the Sunset Strip and I was after all a professional journalist so I had an obligation to cover the story for good or ill The sporting editors had also given me 300 in cash most of which was already spent on extremely dangerous drugs The trunk of the car looked like a mobile police narcotics lab We had two bags of grass seventy five pellets of mescaline five sheets of high powered blotter acid a salt shaker half full of cocaine and a whole galaxy of multi colored uppers downers screamers laughers and also a quart of tequila a quart of rum a case of Budweiser a pint of raw ether and two dozen amyls All this had been rounded up the night before in a frenzy of high speed driving all over Los Angeles County from Topanga to Watts we picked up everything we could get our hands on Not that we needed all that for the trip but once you get locked into a serious drug collection the tendency is to push it as far as you can The only thing that really worried me was the ether There is nothing in the world more helpless and irresponsible and depraved than a man in the depths of an ether binge And I knew we d get into that rotten stuff pretty soon Probably at the next gas station We had sampled almost everything else and now yes it was time for a long snort of ether And then do the next hundred miles in a horrible slobbering sort of spastic stupor The only way to keep alert on ether is to do up a lot of amyls not all at once but steadily just enough to maintain the focus at ninety miles an hour through Barstow
