Book Mutual Consent Tracey Richardson:

By Mutual Consent Tracey Richardson, 2016-01-01 Dr Joss McNab needs a wife As if juggling surgery and being an instructor isn't enough she's recently taken on a more demanding administrative role at the medical school that was named after her legendary father To make things worse she's now required to attend a growing number of galas fundraisers and conventions Wouldn't having a wife a wife of convenience help ease the burden that's threatening to overtake her world Sarah Young's heart belongs to painting Much as she'd like to dismiss Joss's ridiculous proposal the art world isn't paying well and she's running short on cash Playing a trophy wife a few hours a week would cover her bills and still leave plenty of time to devote to her artwork The deal is struck But will the convenient pairing turn into disaster or prove to be a stroke of genius With feelings deepening and attraction undeniable can two women who have agreed to settle discover that they could actually have it all

Thursday Afternoons Tracey Richardson, 2019-12-01 Thursdays aren't simply another day of the week for Amy Spencer and Ellis Hall Thursday afternoons sizzle with no strings sex for the two women who meet each week in a hotel room to forget their past and their present The arrangement works perfectly for Amy a busy surgeon who's still smarting from a failed relationship For Ellis Thursday afternoons act as a pressure valve from her cutthroat job and the mistakes in her personal life she's trying to rectify But soon the pair discover that their outside worlds are on a collision course with the carefully constructed world they've created on Thursday afternoons What will happen when they discover the truth about each other Will their weekly assignations come to a screeching halt or will they turn into something much much more

I'm Gonna Make You Love Me Tracey Richardson, 2018-12-01 Claire Melbourne is a steely newspaper editor who's just lost the biggest scoop of her career thanks to her naive intern's mistake Firing the young Ellie Kirkland for the offense was a no-brainer But when fate brings the two women together again Claire finds herself questioning everything she thought she was especially her cynical take no prisoners approach to life When she's not breaking stories or breaking in reporters Claire's one outlet is to lose herself in Motown music and in the seat of a cheerful antique Mustang But lose herself to the much younger far too nice Ellie There's no breaking news there Nope That's a story that needs to be spiked before it ever sees print Ellie Kirkland is at loose ends and not for the first time Resistant to following the path her parents insist on she's been trying out careers like she's trying on outfits at Banana Republic Now that her dream of being a journalist is over Ellie must begin again And the woman who crushed that very dream is the very woman who just might hold the key to Ellie's future

Heartsick Tracey Richardson, 2017-12-01 An ER physician and a paramedic must heal the most painful affliction of their lives their own broken hearts A seasoned paramedic and former soldier Angie Cullen has spent many years helping to put people back together again But her battle-tested heart is no match for the devastation of discovering that her partner has been cheating on her with the wife of ER physician Dr Victoria Turner When a car crash exposes the infidelity one evening in the ER Angie and Vic find themselves unlikely and wary allies as they attempt to pick up the broken pieces of their lives

While each holds the remedy to the other's broken heart can Angie and Vic trust enough to love again From the best selling author of *The Candidate* By Mutual Consent and *Delay of Game* comes an unforgettable medical romance about finding love again in the wake of a shattering betrayal *Delay of Game* Tracey Richardson,2017-02-01 Passion and patriotism sizzle on the ice at the Winter Olympics It's been a dozen years since two of the world's best women hockey players Niki Hartling and Eva Caruso first competed against each other in the Olympic Games The pressure of the intense USA Canada rivalry forced an end to their love affair and both women moved on Niki to coach and to marry Eva to stretch out a playing career that her ravaged body can barely sustain anymore The Games are upon them once again Eva wants one last chance to beat the Canadians and win hockey's biggest prize Niki now a widow and single mother strives to coach her country to gold even as the obstacles against her mount The locker room seems to have ears and there are few people Niki and Eva can trust Rivals and former lovers on hockey's biggest stage will Niki and Eva feel the same spark that first brought them together And can they win on and off the ice with the whole world watching ***Ten Days in May*** Tracey Richardson,2022-09-01 Camryn Hughes has reinvented herself since the chaotic and nomadic years of being a musician She's happy in her serene life until a new client has her examining her one regret parting ways with her first love Is it possible to go back and choose the other fork in the road the one that leads back to the only woman she's ever loved Brooke Ross has no regrets about her long ago decision to put herself and her career as a restaurateur first But thanks to the ongoing ravages on her business from the pandemic plus a girlfriend she can't bring herself to love Brooke is at a crossroads Throwing caution to the wind for once she agrees to an unusual invitation that just might lead her to figuring out what and who she really wants *Ten Days in May* is about second chances about choosing life and discovering what's meaningful in turbulent times *Overtime* Tracey Richardson,2025-03-01 Professional hockey star Sarah Brennan can handle brutal body checks and playoff pressure but studying Irish literature under the sharp eyed Professor Claire Joyce might be her toughest challenge yet Claire's disdain for athletes is legendary and personal thanks to a failed marriage to a pro athlete The only catch Her hockey obsessed ten year old daughter worships the ice Sarah Brennan skates on As Sarah contemplates life after her final season she finds herself drawn into the warm orbit of Claire's small family But with Claire's walls built as solid as center ice it'll take more than a hat trick to prove that sometimes the best plays happen after the final whistle *OVERTIME* is a charming romance about second chances found family and scoring the goal that matters most ***Lesbian Detective Fiction*** Phyllis M. Betz,2006-07-24 This work examines how lesbian detective and mystery fiction represents lesbian characters and experience within the confines of the genre As this book points out such fiction reveals the lesbian's increasing visibility in the wider society Nevertheless it can still be difficult to find a complete representation of lesbian life in mainstream literature Often the best place to find the lesbian represented in books is within the pages of genre fiction especially the detective story This book looks at how the lesbian characters public and private lives intersect often at the point of coming out or of moving from isolation to connection

with the community Also considered is the lesbian detective s typical confrontation with two crucial elements of the investigator s role the use of violence and the acquisition and expression of authority within police systems Other topics of discussion include the cultural environments in which the stories are situated and the use of humor as a key weapon in the lesbian detective s investigative arsenal *Proceedings of the Common Council, for the City of Rochester, for ...* Rochester (N.Y.).
