Allison Bottke, 2005-09-01 More than one million men and women presently serve America in the Armed Services. Many millions more are veterans having done their part to keep our nation secure. And in many cases these brave soldiers, sailors, airmen, Marines and Coast Guardsmen have remarkable stories to tell about their experiences in uniform. Here are their stories of how God was with them during often life-threatening situations. Each story is a recollection from a past or present serviceman or woman or their loved one sharing their story of how God answered their prayer. Stories range from our current struggle in the Mideast to past conflicts such as World War II, the Korean War and the Vietnam War. The Gift of Now

Eleanor Vaughan, Judith Pierson, 2012-04-11 Jesus Changes Everything and He is Changing Me, Book 2 MH Anderson,

Words that Change Everything Karen Jordan, 2016-06-14 *Words That Change Everything* offers hope and practical strategies to help women speak God's truth to their unbridled and often debilitating emotions. Worry, anxiety and fear saturate our world today more than ever from acts of terrorism to economic downturns. But many women face real fears in their own homes: death, illness, job loss, betrayal, rejection and dozens of other threats that challenge their family's well-being. As women recognize and understand the warnings, signs of worry and negative self-talk, they can employ strategies to navigate their overwhelming anxiety and hopeless thoughts. Most Christian women know the Bible encourages them not to worry about anything, but few women know how to respond to their worries, especially in a crisis. *Words That Change Everything* offers true personal stories with biblical applications to help everyday women understand the purpose of their God-given emotions and identify biblical prayer strategies to help them confront their worries. **Pray First** Chris

Hodges, 2022-12-27 Prayer is the lifeblood of the Christian faith, but many followers of Jesus still struggle to make prayer part of their daily lives. In *Pray First*, bestselling author and pastor Chris Hodges shows us how to make prayer a first response instead of a last resort. Why is it that so many Christians find it difficult to develop a vibrant and exciting prayer life? Even though prayer is foundational to the Christian life, many are intimidated or uncertain about how to talk to God. Prayer feels quaint and old-fashioned to some, sacred and uncomfortable to others. It's not a lack of inspiration; there's plenty of that. And it's not that we don't realize prayer is important; we know it is. So what's the issue? Pastor Chris Hodges has spent years studying the prayers of the Bible and the models of prayer that the scriptures provide for Christians. Now he shares the teachings and methods he's used to successfully help hundreds of thousands of people understand how to spend time in conversation with God and enjoy every minute. *Pray First* will give you the tools you need to bring the joy back into your time
