Serving Jesus with Integrity Dwight P. Baker, Douglas Hayward, 2010-06-28 The word ethics carries an aura of

countervailing views overlapping claims uncertain footing and seductive attractions Some issues are as clear as the horizontal versus vertical axes in Sawai Chinnawong's striking painting *Joseph and Potiphar's Wife* that graces the cover of this book At the same time because we are involved because our interests our inclinations our plans and relationships are at stake the issues that engage missionary practitioners can be frustratingly labyrinthine curling endlessly back on themselves Evangelical missionaries and mission agencies are concerned about personal morality and rightly so But as the chapters in this volume attest evangelical mission's ethical engagement extends far beyond simply avoiding compromising sexual situations and not absconding with the finances How should we talk about others' beliefs and practices to ourselves To them How should we represent ourselves to others What role does tolerance for ambiguity play in missionaries' mental preparation How should accountability be structured in intercultural partnerships Are there ways to enable organizational justice to flourish in mission institutions What might integrity in short-term mission outreach look like How does care for creation relate to mission What role can a code of ethics for missionary practice play Limited and fallible and marred by the fall we need both guidance and admonition and deep reflection on the conduct of evangelical mission such as is provided in this volume so that we may serve Jesus with true integrity *Systemic Sex Therapy* Katherine M. Hertlein, Gerald R.

Weeks, Nancy Gambescia, 2010-06-10 *Systemic Sex Therapy* serves as an introduction to the field of sex therapy from a systems perspective It is an excellent resource for graduate students in marriage and family therapy programs or students and professionals who want a truly fresh perspective on sex therapy This approach moves beyond traditional behavioral approaches to incorporate individual couple and intergenerational factors in etiology and treatment Unlike current books on the market that are outdated too advanced simplistic unfocused or too diffuse in content *Systemic Sex Therapy* is comprehensive concise highly focused on treatment user friendly and contains features not found in other sex therapy texts such as a systemic behavioral focus clinical innovation and a greater focus on implementation rather than competing works
