Line of Scrimmage Desiree Holt, 2015-12-08 The USA Today bestselling author of *Forward Pass* scores a touchdown with this contemporary romance filled with heat and heart. Night Owl Romance. One bad tackle. That's all it took to put wide receiver Jake Russell in a cast for the rest of the NFL season. From being a high school all star to getting drafted by the Austin Mustangs football has been Jake's life for as long as he can remember. It's what defines him because he has a secret he never shares. But now that he's laid up in bed with a nurse displaying a lot of distracting bedside manners, he's discovering life off the field might have its perks. One last paycheck. That's all Erin Bass has left to her name when the resort she works at shuts down. Desperate, she agrees to be a caregiver to hardass jock Jake Russell, who also happens to be a memorable one night stand. Before long, caring leads to daring new ways to catch up in bed, especially with Jake still in a cast. But with football on the sidelines, this time the game is serious. Party girl Tyler Gillette has just one rule: no football players. As the daughter of the owner of the San Antonio Hawks, she grew up in the shadow of the sport and her father's enormous wealth. She was even named Tyler because he wanted a boy. Life couldn't have drawn up a better play for turning her into a wild child until that same life is threatened by someone from the past. Former Hawks running back Rafe Ortiz has a few rules of his own. First, no weaknesses. Second, no babysitting spoiled football princesses. But his new career as a bodyguard means he's responsible for protecting the beautiful Tyler Gillette from her mysterious stalker. But keeping his hands off her might be harder than keeping her safe.
