Book Media Lynching Persecution Michael Skakel:

Lynching Beyond Dixie Michael J. Pfeifer, 2013-02-27 In recent decades scholars have explored much of the history of mob violence in the American South especially in the years after Reconstruction However the lynching violence that occurred in American regions outside the South where hundreds of persons including Hispanics whites African Americans Native Americans and Asian Americans died at the hands of lynch mobs has received less attention This collection of essays by prominent and rising scholars fills this gap by illuminating the factors that distinguished lynching in the West the Midwest and the Mid Atlantic The volume adds to a more comprehensive history of American lynching and will be of interest to all readers interested in the history of violence across the varied regions of the United States Contributors are Jack S Blocker Jr Brent M S Campney William D Carrigan Sundiata Keita Cha Jua Dennis B Downey Larry R Gerlach Kimberley Mangun Helen McLure Michael J Pfeifer Christopher Waldrep Clive Webb and Dena Lynn Winslow

Rough Justice Michael James Pfeifer, 2004 Investigates the pervasive and persistent commitment to rough justice that characterized rural and working class areas of most of the United States in the late nineteenth century This work examines the influence of race gender and class on understandings of criminal justice and shows how they varied across regions

Lynching in America Christopher Waldrep, 2006 Ranging from personal correspondence to courtroom transcripts to journalistic accounts Christopher Waldrep has extensively mined an enormous quantity of documents about lynching which he arranges chronologically with concise introductions He reveals that lynching has been part of American history since the Revolution but its victims perpetrators causes and environments have changed over time From the American Revolution to the expansion of the western frontier Waldrep shows how communities defended lynching as a way to maintain law and order Publisher description
