 the needs of students across various streams and levels *Spiritual Purification in Islam* Gavin Picken,2011-03-21
 Purification of the soul is a principle that is central to understanding Islamic spirituality but despite this relatively little has
 been written explicitly in the Islamic tradition regarding this discrete method of spiritual purification This book examines the
 work of a scholar of this discipline al H rith al Muh sib who lived and worked during the classical Islamic period under the
 Abb sids Although al Muh sib was well known for his skills in many disciplines including the Qur n Prophetic narration and
 scholastic theology it is his mastery in the field of Islamic spirituality and moral psychology for which he is best remembered
 Assessing the extent to which the political social and economic factors played a part in his life and work Gavin Picken
 provides a comprehensive overview of his work and its great significance in the development of Islamic spirituality
 Reconstructing his life in chronological order and providing the most comprehensive appraisal of his works to date it
 explores a facet of al Muh sib s teaching which as yet has not been studied namely his understanding concept and
 methodology regarding the purification of the soul within the Islamic paradigm As such it will be of great interest not only to
 researchers and students of Sufism but also to scholars of comparative spirituality and mysticism **Jung's Red Book for
 Our Time** Murray Stein ,Thomas Arzt,2021-09-25 The spiritual malaise regnant in today s disenchanted world presents a
 picture of a polar night of icy darkness as Max Weber wrote already a century ago This collective dark night of the soul is
 driven by climate change related disasters rapid technological innovations and opaque geostrategic realignments In the
 wake of what policy analysts refer to as Westlessness the post modern age is characterized by incessant distractions urgent
 calls to responsibility and in humanly short deadlines which result in a general state of exhaustion and burnout The hovering
 sense of living in a time frame that is post histoire induces states of confusion on a personal level as well as in the realm of
 politics Totally missing is a grand narrative to guide humanity s vision in the midst of a world crisis Thinkers scholars and
 Jungian analysts are increasingly looking to C G Jung s monumental oeuvre The Red Book as a source for guidance to re

enchant the world and to find a new and deeper understanding of the homo religiosus The essays in this series on Jung's Red Book for Our Time Searching for Soul under Postmodern Conditions circle around this objective and offer countless points of entry into this inspiring work
