Williams,2014-10-16 The road was covered with deep snow that wintry day The author was occupied with carefully climbing the steep hill with home in sight Suddenly the thought resurfaced that had refused to be suppressed the previous weeks What has the Christmas tree to do with the birth of Jesus When shared with a Christian friend to the author s surprise the friend fairly shouted But you can t have Christmas without a Christmas tree And surely that is true she came to understand During that long period the author was likewise impressed with the profound truth that the meaning of a thing is forever tied to its roots and the fruits will prove that henceforth and forevermore according to Jesus Christ the apostle Paul church father Tertullian and many patriarchs as well as some highly credible modern Biblical scholars Years of research by this author followed with digging down all the way to the root of the tree to Asherah goddess of the groves the Israelites pursued that Yahweh denounced as an abomination to Him Thousands of years of a variety of tree worship can be painstakingly linked and traced from Canaan up through a number of nations Rome and all of Europe from Germany to the fledgling America and via the Prussian soldiers hired by King George to crush General George Washington at Valley Forge What is amazing is the unquestionable clear historical trail both Biblical and secular that the unmistakable tree idol presents from ancient Canaan and including its more recent title of Christmas tree in America all included and well documented in The Christmas Tree Unwrapping the Truth Most disturbing is the apostle Paul s teaching that behind every idol is a spirit As documented in this book some contemporary Christians have witnessed that spirit manifest dramatically in recent years in the US when it was confronted Don t be put off by the size of this comparatively small book it is a powerhouse of knowledge with step by step Scriptural instructions for removal of the curse and the cure for complete release from this idol from the crafty devious god of this world the American Church has welcomed so enthusiastically since the 19th century But those Christians who avail

themselves of the truth of the Christmas tree have found release and freedom from all the baggage of this burden as presented in this dynamite instrument of deliverance Be sure to check this author s other books exposing the false gods and goddesses associated with the Christmas and Easter holidays **Christmas Trees: the Tradition and the Trade** Arthur Merrill Sowder,1966 **Jersey Fresh ... Choose & Cut Christmas Tree Guide** ,1999 **O Christmas Tree** Jacqueline Farmer,2010-07-01 The Christmas tree tradition has roots in many ancient cultures Originally it had little to do with gift giving reindeer or elves O CHRISTMAS TREE explores the history and traditions from the tree s origins to the first tree lights and decorations that led to how people enjoy these trees today Also includes information about how these special evergreens are grown Beautiful illustrations capture the magic and festivity of the holiday season [Christmas Trees](#) Arthur Merrill Sowder,1967 **New York's Balsam Fir Christmas Trees** Alex Dickson,1965
