RIP [Rest In Peace), a CUL8R Time Travel Mystery/Romance Bob Kat,2014-02-21 You don t have to believe in ghosts until you meet one Once again Kelly Scott Austin and Zoey are listening to the Spirit Radio when they hear a cry for help from a mother whose four year old daughter Emma went missing in the middle of a busy lobby at the infamous Stanley Hotel But time traveling back to 1911 is a lot more complicated than the three trips they had taken earlier in the summer They have to find appropriate clothes and figure out a way to pay for their stay When they hear about a tragic fire that hurt several hotel employees the teens take advantage of the hotel s desperation and get jobs working as lady s maids and houseboys so they can keep an eye on Emma and her family Even though they know that The Stanley Hotel is possibly the most haunted place in the U S the four teenagers are a little creeped out when they hear ghostly children running in the halls singing songs and even a mysterious ball that keeps showing up in their room How could a hotel that is only two years old already be haunted Most importantly how can they stop Emma from becoming one of the ghosts that are trapped inside the luxurious hotel Midway through their first summer together they celebrate the Fourth of July twice in one year As they try to figure out the mystery of Emma s disappearance they bump in some famous people and experience several historical events But ultimately it s their trust in each other and the friendship that has been forged by two unique experiences no one else on the planet has ever done talk with dead people and time travel to the past Their first trip back to 1966 had stopped the murder of a teenager from their school Their next trip to 1980 had tested their courage as they were brought face to face with a man who was determined to murder an entire family Their last trip to 1927 had saved the life of a handsome young man who had run away to a traveling circus Zoey the former mean girl of South Beach High School suffered her first heartbreak by falling in love with a man from the wrong century Back in 1911 there are no TV news crawlers or Amber Alerts like we see along the interstate highways today Instead Kelly Scott Austin and Zoey must try to be in the right place at the right time to stop the tragedy of Emma s disappearance from happening They follow her and her family around while enjoying life among the rich and famous They arrive as skeptics but leave as believers when all four teens have ghostly encounters Kelly and Austin grow closer as they share fireworks shows first on the sand in Fort Myers Beach and second on a blanket in the Rocky Mountains But is their romance doomed almost as soon as it began When their plans go wrong they face their first defeat The same danger that takes Emma now threatens the teens when one of their own is captured in a killer s web Will they be able to save Emma Or will they join her as permanent guests in the ghostly halls of The Stanley Hotel
