The Business of Broadway Mitch Weiss, Perri Gaffney, 2015-07-14 New York's Broadway theatre scene has long been viewed as the top of the heap in the world theatre community. Taking lessons from the very best, this innovative guide delves into the business side of the renowned industry to explain just how its system functions. For anyone interested in pursuing a career on Broadway or who wants to grow a theatre in any other part of the world, *The Business of Broadway* offers an in-depth analysis of the infrastructure at the core of successful theatre. Manager/producer Mitch Weiss and actor/writer Perri Gaffney take readers behind the scenes to reveal what the audience and even the players and many producers don't know about how Broadway works, describing more than 200 jobs that become available for every show. A variety of performers, producers, managers, and others involved with the Broadway network share valuable personal experience in interviews, discussing what made a show a hit or a miss and how some of the rules, regulations, and practices that are in place today were pioneered. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater branding, fine art, photography, interior design, writing, acting, film, how to start careers, business, and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Seats, Chicago Jode Susan Millman, 2004-05 Applause Books. This comprehensive guide to every major entertainment and sports venue in the Chicago/Milwaukee metropolitan area makes attending performing arts, dance, music, and sports events incredibly easy and entertaining. The second volume in the *Seats* series places seating plans, theatre district maps, transportation, hotel, and seasonal festival information right at your fingertips. A full seating plan, color-coded by price, is provided for each venue, along with all ticket ordering information. The book also includes insider tips on Chicago/Milwaukee theatres featuring Off Beat Seats, Theatre Companies, Seats for Kids, Students, and Four Seasons of Free Seats. Whether you want to catch the opera at the Civic Opera House, some laughs at Second City, a performance at the historical Pabst Theater, or the Cubs at Wrigley Field, *Seats Chicago* is your guide to the best seats in the house. Also available: *Seats New York* 00314598. Praise for *Seats New York*: *Seats* is a clear, informative, and beautiful guide for those seeking the best seats in New York theatres and halls. Richard Nelson, Tony Award-winning playwright. I know how important a good seat can be for the enjoyment of a classical performance. Concert hall seat selection is usually complicated and confusing, but *Seats* makes it easy. Maestro Robert Craft, author and conductor, associate of Igor Stravinsky.

Creative Arts Marketing Liz Hill, Catherine O'Sullivan, Terry O'Sullivan, Brian Whitehead, 2017-10-10. *Creative Arts Marketing*, third edition, is a long-awaited update of a classic and

influential text A ground breaking book when first published it covers the core concepts of marketing and management as they apply to the arts and heritage industries with a depth that is still unrivalled With an emphasis on global case studies practical examples and discussion questions and an author team that draws from rich and varied experiences in the arts management sector the book serves as a text for students as much as it is a practitioner s guide to industry best practice Extensively revised to reflect the dramatic changes to this industry this edition integrates organizational and management subject matter reflecting the marketing function s deeper involvement in broad organizational issues This fully updated and revised third edition features Audience diversity and audience development The impact of digital technologies on the industry An exploration of the increasingly complex relationship between public and private funding for the arts Ethics and sustainability issues for arts marketers Cultural policy changes in the industry Including a brand new companion website complete with materials for tutors and students for the first time the return of this important text will be welcomed by students tutors and professionals in the arts
