AT THE GROCERY STORE

Read the following text and answer the questions

Yesterday I went to the grocery store with my sister. The grocery store is in front of the park, not far from our house.

We normally pick up some groceries every Monday and Wednesday and mum the rest of the days.

Mum left a paper with what we needed to buy; this was the list:

She left 30 £ on the table of the kitchen with some eco-friendly bags. Mum says that it's very important to take care of the planet, so says that we have to recycle and reduce the amount of plastic when shopping.

My sister and I were walking when a dog started to chase us! It was super big and fierce. My sister fell down and I helped her to stand up. We ran fast and we entered in the grocery store. Then the dog went away and we continued with the shopping. But the problem was that we lost 15 £ and we couldn't buy everything!
