the nation's political and social soul Coyote and his companions soon became power players In prose both graphic and unsentimental Coyote reveals the corrosive side of love that was once called free the anxieties and occasional terrors of late night drug fueled visits of biker gangs looking to party and his own quest for the next high His road through revolution brought him to adulthood and to his major role as a political strategist from radical communist to the chairman of the California Arts Council from a street theater apprentice to a motion picture star Boot and Shoe Recorder ,1954 Fall A Million Times Elle Rush,2020-05-04 12 Friends 10 year reunion 1 winning lottery ticket Shocked and shattered after a brutal accident crushes her pro career and her knee Andie Ronald limps back to Hopewell with a gold medal in one hand and crutches in the other The only dream she has left is to use her lottery winnings to open a hockey academy for small town kids like her But even that is threatened when her latest surgery fails Freddy Turnbull plans to invest the millions he won and his construction experience from his military service into rebuilding his hometown His first job is renovating Andie's 70's kitchen disaster and restoring her belief in happily ever after Then Andie's ex arrives with a miracle medical cure and a plan to win her back Will one can make the future they're building come crashing down *Spider* Patrick McGrath,1991-10-08 Spider is gaunt threadbare unnerved by everything from his landlady to the smell of gas He tells us his story in a storm of beautiful language that slowly reveals itself as a fiendishly layered construction of truth and illusion With echoes of Beckett Poe and Paul Bowles Spider is a tale of horror and madness storytelling and skepticism a novel whose dizzying style lays bare the deepest layers of subconscious terror **Catch a Falling Star** Lynette Sowell,2013-08-01 Justine Campbell would gladly rewind her life a few months back before it crumbled around her like so much gilded plaster Billy Tucker could use a rewind button too He'd go back to the day before his humvee exploded in Iraq injuring himself and killing two of his buddies Billy's bitterness and Justine's humiliation make for a prickly pair when they first meet but can either of them let go of the past long enough to let God make their paths straight again Skiing ,1985 **The Organization of the Boot and Shoe Industry in Massachusetts Before 1875** B. Presidential Election Dustin Harp, 2019-04-09 Using a discourse analysis Dustin Harp investigates media during the 2016 US presidential election to explore how traditional patriarchal and feminist ideas about gender played out during the campaign The book illustrates how these two ideologies competed for space and struggled for discursive authority A broad range of media texts is examined and gender moments where gender became a dominant part of the political conversation are identified These include the nasty woman and grab them by the pussy comments of Donald Trump and the woman card played by and against Hillary Clinton Furthermore Harp reveals how binary notions of gender and stereotypical ideas of how men and women should behave look and sound structured the ways Donald Trump and Hillary Clinton were talked about in the media As a counterpoint the research also shows the ways feminist ideologies worked against the sexism and misogyny and became mainstream in media discourse during the campaign Students and researchers of Gender Studies will find that the gender moments in Gender in the 2016 US Presidential Election tell a broader story about women gender expectations and power They offer important and timely insights about misogyny and sexual harassment in contemporary US culture and feminist resistance in a mediated public sphere
