PRICING PROBLEMS

These items are price-marked. Write very carefully in your box and write the correct price on the tag below each item.

No, no, no! This is all wrong! That beach ball should be \$4.99 less than the sweater, which is supposed to be \$6.00 cheaper than what is marked. The purse is priced way too high! It is only double the price of the sweater's sale price. Hurry and fix the tags before any customers come in!

Scheduling Madness

Stores open all the craziest hours on Black Friday. Some even open for their big sale on Thanksgiving. Read the conversation below to figure out when each store opens and fill in the table with opening times below.

"For today, the one we are going to have to start our shopping after our Thanksgiving meal. Our guests are leaving at four pm, right when Old Navy opens, and Toys R Us opens one hour later."

"Okay, but we need to be at Best Buy to get the great deal on that TV on loan later."

"But what about the shoes I'll get on Target? They open at the same time as Best Buy. We can't be in two places at once."

"Yeah, I saw that Lowe's has the same set for even cheaper, and they open in hours AFTER Target does. We will be able to get some sleep before we head there!"

"Okay, two hours after Lowe's opens, we will head to Sam's Club and check out their great deals on computers."

"Sounds good. But on loan after Sam's opens, we need to be at Gender Hardware Experts to buy that new pocket I want!"
