Crash Course in Readers' Advisory Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy. This crash course will furnish you with the basic practical information you need to excel at readers advisory RA for adults and teens. The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous. Often uncertainty arises because although librarians are called on to perform such services daily, readers advisory is a skill set in which most have no formal training. This guide will remedy that. It is built around understanding books, reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively. You'll learn about multiple RA approaches such as genre appeal, features and reading interests and about essential tools that can help with RA. Plus you'll discover tips to help you keep up with this ever-changing field. There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds. Helping readers find what they want is a sure way to serve patrons and build your library's brand. You will come away from this easy-to-understand crash course with the solid background you need to do both.

Young Adult Resources Today Don Latham, Melissa Gross, 2014-05-21 *Young Adult Resources Today: Connecting Teens with Books, Music, Games, Movies, and More* is the first comprehensive young adult library services textbook specifically written for today's multidimensional information landscape. The authors integrate a research-focused information behavior approach with a literature-focused resources approach and bring together in one volume key issues related to research theory and practice in the provision of information services to young adults. Currently no single book addresses both YA information behaviors and information resources in any detail; instead, books tend to focus on one and give only cursory attention to the other. Key features of this revolutionary book include its success in integrating theory, research, and practice; integrating implications for practice throughout the book; integrating knowledge of resources with professional practice as informed by research; integrating both print and electronic formats throughout within the resource chapters, including websites and social media. Latham and Gross accomplish all this while paying particular attention to the socially constructed nature of young adulthood, diversity, YA development, and multiple literacies. Their coverage of information landscapes covers literature with detailed coverage of both genres and subgenres, movies, magazines, web sites, social media, and gaming. The final chapter covers navigating information landscapes, focusing on real and virtual YA spaces, readers advisory programming, and collaboration. Special attention is paid to program planning and evaluation.

The Mask Falling Samantha Shannon, 2021-01-26 Coming in May 2024. A stunning repackaged fourth novel in the New York Times bestselling Bone Season series. Paige Mahoney has eluded death again. Snatched from the jaws of captivity and consigned to a safe house in the Scion Citadel of Paris, she finds herself caught between those factions that seek Scion's downfall and those who would kill to protect the Rephaim's puppet empire. The mysterious Domino Program has plans for Paige, but she has

ambitions of her own in this new citadel With Arcturus Mesarthim her former enemy at her side she embarks on an adventure that will lead her from the catacombs of Paris to the glittering hallways of Versailles Her risks promise high reward the Parisian underworld could yield the means to escalate her rebellion to outright war As Scion widens its bounds and the free world trembles in its shadow Paige must fight her own memories after her ordeal at the hands of Scion Meanwhile she strives to understand her bond with Arcturus which grows stronger by the day But there are those who know the revolution began with them and could end with them The Mask Falling is a gripping fantastical new addition to this intoxicating urban fantasy series NPR org that will leave readers begging for more *Desperate Deadly Widows* Vanessa Lillie,Layne Fargo,Cate Holahan,Kimberly Belle,2025-04-08 The widows are back Big hair and bigger lies collide in the highly anticipated follow up to *Young Rich Widows* where nothing s more dangerous than a widow with nothing left to lose Set in neon drenched Providence Rhode Island circa 1987 just two years after a plane carrying four mafia affiliated law firm partners exploded over the Atlantic along with the cushy lives of their once wealthy wives Now Krystle fights to keep their fallen law firm afloat Justine hustles as a lawyer in training Meredith owns and operates the strip club where she once danced And Camille orchestrates honey pot schemes for scorned women until one of her arrangements goes terribly wrong and she becomes implicated in the debauched Mayor Tom s mysterious murder in the champagne room With everything on the line the widows must join forces once more But as the conspiracy unravels beyond the mayor s demise their search for justice pits first wife against second wife and widow against widow With the widows fragile bond now tested will the women cement their friendships or is loyalty a luxury they just can t afford In this thrilling expansion of the Widows universe brimming with sloshed champagne smeared lipstick and lethal secrets *Desperate Deadly Widows* unfolds as an edge of your seat thriller where desperation wears stilettos trust is a poker chip and redemption comes at the cost of everything you thought you knew *The History of Science Fiction and Its Toy Figurines* Luigi Toiati,2023-12-21 This eye opening book deserves a spot on the bookshelves of anyone who not only enjoys collecting but also has a great interest in all facets of the history of our hobby Toy Soldier Collector Science fiction as the name suggests is the combination of science and fantasy In addition to a literary form it also encompasses film TV comics toys and our beloved toy astronauts or other figures such as aliens monsters and other playable genres The term science fiction was coined by publisher Hugo Gernsback around the first decades of the last century to refer to the predominantly space adventures covered in his magazines Space invaded radio cinema TV and consequently for a long time toy figurines were predominantly space related later evolving into other themes This lavishly illustrated book covers both the history of literary science fiction following in the footsteps of contemporary official criticism and toy figurines inspired by science fiction You will also find several other themes such as the link between science fiction figures and cinema radio TV comics and more Luigi Toiati offers to both guide the reader on an often nostalgic walk through science fiction in all its various forms and to describe the figurines and brands associated with it **Think in**

Nolyn Michael J. Sullivan, 2023-12-12 A New York Times Bestseller Amazon Editor's Pick After more than five hundred years of exile the heir to the empyre is wary about his sudden reassignment to

active duty on the Goblin War's front lines. His assignment to rescue an outpost leads to a dead end canyon deep inside enemy territory and his suspicion turns to dread when he discovers the stronghold does not exist. But whoever went to the trouble of planning his death to look like a casualty of war did not know he would be assigned to the Seventh Sikaria Auxiliary Squadron. In the depths of an unforgiving jungle, a legend is about to be born and the world of Elan will never be the same. From Michael J. Sullivan, the New York Times, USA Today, and Washington Post bestselling author, a new adventure begins with the first book in The Rise and Fall trilogy. Although this series is set in the same world as the Riyria novels and the Legends of the First Empire books, it is a standalone tale. As such, no prior knowledge of the other works is required to enjoy this tale to its fullest.

Only If You're Lucky Stacy Willingham, 2024-01-16. A sharp and twisty exploration of female friendship from the New York Times bestselling author of *A Flicker in the Dark* and *All the Dangerous Things*. Lucy Sharpe is larger than life. Magnetic, addictive, bold, and dangerous. Especially for Margot, who meets Lucy at the end of their freshman year at a liberal arts college in South Carolina. Margot is the shy one, the careful one, always the sidekick and never the center of attention. But when Lucy singles her out at the end of the year, a year Margot spent studying and playing it safe, and asks her to room together, something in Margot can't say no. Something daring or starved or maybe even envious. And so Margot finds herself living in an off-campus house with three other girls: Lucy, the ringleader; Sloane, the sarcastic one; and Nicole, the nice one. The three of them opposites but also deeply intertwined. It's a year that finds Margot finally coming out of the shell she's been in since the end of high school when her best friend Eliza died three weeks after graduation. Margot and Lucy have become the closest of friends, but by the middle of their sophomore year, one of the fraternity boys from the house next door has been brutally murdered, and Lucy Sharpe is missing without a trace. From the author of *A Flicker in the Dark* and *All the Dangerous Things*, comes a tantalizing thriller about the nature of friendship and belonging, about loyalty, envy, and betrayal. Another gripping novel from an author quickly becoming the gold standard in psychological suspense.
