Global Business Today Global Edition 8e Charles Hill, 2014-09-16 Global Business Today has been developed specifically to meet the needs of international students of business. Written in a refreshing, informative and accessible style, it has become the most widely used text in the International Business market with its comprehensive and up-to-date contents, focus on managerial implications and application of international business concepts, and incorporation of ancillary resources that enliven the text and make it easier to teach. In addition to boxed material which provides insightful illustrations in every chapter, interesting anecdotes have been carefully weaved into the narrative of the text to engage the reader. Enhancements to the Global Edition include New Country Focus boxes that provide background on the political, economic, social or cultural aspects of countries grappling with an international business issue to help raise students' awareness of how national and geographic differences affect the conduct of international business, such as Corruption in the Philippines and the Export Processing Zone Authority of Pakistan. New Management Focus boxes that provide lively illustrations of the relevance of chapter material for the practice of international business, including Patenting Basmati Rice and Expatriate Managers. New Perspective boxes that provide additional context for chapter topics, such as Market Economy in China, Australian SMEs Embrace the Chinese Currency, and Global Variations in Ownership Structure.

QuickTime for the Web Steven Gulie, 2003-10-02 QuickTime is the industry standard for developing and distributing multimedia content on the Web and CD-ROM for both Windows and Macintosh computers. This book includes QuickTime Pro 6 and a full set of content development tools for both Windows and Macintosh developers. This third edition of the best-selling and award-winning QuickTime for the Web is a hands-on guide showing how to integrate animation, video, recorded sound, MIDI, text, still images, VR live streams, games, and user interactivity into a Web site. It now also covers how to benefit from QuickTime support for the MPEG-4 global multimedia standard. Written for Web masters, site designers, HTML and multimedia authors, and anyone else who wants to incorporate sound or video into their Web site, this book offers clear and detailed instruction in an engaging style. Written by an expert at Apple Computer, this is the most complete and authoritative source for creating QuickTime content for the Web. The first edition of this book won the Touchstone 2000 Merit Award for Books, awarded annually by STC Society for Technical Communications. Written for both Windows and Macintosh developers, it illustrates all the latest features in QuickTime Pro 6, including MPEG-4 support.
