Teachings of the Peyote Shamans James Endredy, 2015-11-17 A rare in depth look at the inner workings of Huichol shamanism Describes the five sacred sites of the Huichol and their peyote ceremonies Explains how the Huichol teachings of awareness centered on the five points of attention connect you to your true essence Reveals the deep relationship between Huichol cosmology Gnosticism and Christianity especially Jesus Christ and the Virgin Mary Taking place in the heart of the Huichol homeland in western Mexico this book offers a rare in depth look at the inner workings of Huichol shamanism which is permeated with the use of the sacred peyote cactus Outsiders are almost never allowed access to Huichol sacred sites and ceremonies however James Endredy after years of friendship with Huichol families earned the privilege nearly by accident Swayed by persistent pleading he agreed to take another gringo into the mountains to one of the Huichols ceremonial centers and they were both caught After trial and punishment Endredy was invited to stay within the sacred lands for the festivities he had illegally intruded upon and found his initiation into the Huichol shamanic tradition had begun Sharing his intimate conversations and journeys with the shaman he calls Peyote Jesus

the author explains how Huichol belief revolves around the five sacred directions the five sacred sites and the five points of attention As Peyote Jesus explains the five points of attention refer to dividing your awareness yet staying focused on your inner self This is not a normal state of consciousness for most people yet when we maintain these points of attention we discover our true essence and move closer to God Endredy undergoes dozens of spiritual journeys with peyote as he makes the pilgrimages to the five sacred Huichol sites with Peyote Jesus He is shocked by his vision of the Virgin Mary while under peyote s guidance and learns of the deep relationship strictly on Huichol terms between their cosmology Gnosticism and Christianity especially Jesus Christ Providing an inside look at the major ceremonies and peyote rituals of the Huichol this unexpectedly powerful book reveals the key tenants of the Huichol worldview their beliefs in the afterlife and their spiritual work on behalf of all of humanity

The authors combine their collective skill sets in druidry, wilderness survival skills, permaculture, and more to create this new framework for engaging in an eco-centric spiritual practice and lifestyle in the 21st century. This in-depth guide explores seven principles for reenvisioning humans' relationship with the living earth: Reconnection, Respect, Rewilding, Regeneration, Resilience, Reenchantment, and Revisioning. Each principle is introduced through storytelling and then discovered through the Bard, Ovate, and Druid framework, detailing exercises the reader can engage in to experience the principle through creative, explorative, interpersonal, and spiritual actions. Readers will explore how to build community around nature-based ceremony, cultural sharing, and experiences in the wild; develop meaningful skill sets such as permaculture, survival, and ancestral skills; tap into the primordial energy of the Earth and nature through ceremony and meditation; use ceremony to rejuvenate and regenerate the natural world; reconnect with nature in meaningful ways, including building ecological knowledge, rewild their lives with wild movement and creativity, and connecting to nature's rhythms and tides; and regenerate their local ecosystems and communities.
