FOREWORD

1. PURPOSE

NAVHC 2795, U.S. Marine Corps User's Guide to Counseling, provides a means to assist Marine leaders and their Marines to be continuously motivated toward more effective individual performance. As in all Marine Corps leadership programs, increased unit readiness is the goal.

2. INFORMATION

a. The use of this Guide does not replace time-tested techniques of leadership or demand adherence to new, theoretical management techniques. The Guide provides a tool that focuses on creating an ingrained counseling ethic as a part of the Marine Corps leadership program.

b. The Guide reemphasizes the teacher-scholar, father-son relationship envisioned by General Lejeune. By its own definition, this Guide establishes a more effective means of communication and understanding between senior and junior; it continually strives to improve Marine Corps readiness.

3. FREQUENCY

This Guide will be reviewed annually and revised as necessary.

4. RESPONSIBILITIES

All seniors have a responsibility to their junior Marines to provide them with effective counseling. The key to accomplish this responsibility is the development of sound counseling skills by unit leaders to teach and to guide junior Marines to become more productive. The principles outlined in this Guide are in conformance with this concept.

5. ACTION

a. Commanding officers/officers in charge shall present this Guide to their Marines when promoted to the grade of corporal.
