

Sample Constructed Response, Test 1

CONSTRUCTED-RESPONSE ASSIGNMENT ONE

■ Sample Constructed-Response Assignment One

Read the poem below, "Memory," by Margaret Walker; then complete the assignment that follows.

I can remember wind-swept streets of cities
on cold and blustery nights, on rainy days;
heads under shabby felts and parasols
and shoulders hunched against a sharp concern;
seeing hurt bewilderment on poor faces,
smelling a deep and sinister unrest
these brooding people cautiously caress;
hearing ghostly marching on pavement stones
and closing fast around their squares of hate.
I can remember seeing them alone,
at work, and in their tenements at home.
I can remember hearing all they said:
their muttering protests, their whispered oaths,
and all that spells their living in distress.

- 
- 
- Identify the tone in this poem; and
 - describe two examples from the excerpt in which the author's use of imagery helps create the tone that you identified.
