**Performance Without Compromise** Raymond McClure,2019-06-20 Accuracy is not debatable This book is a call for commitment by Officials to a proper performance while making consistent accurate rulings My motivation for this book comes from the fact that I have an absolute genuine concern about THE GAME and I have for a long time My concern comes from my belief that officiating basketball is not as difficult as so many among us make it out to be Much of what I was taught during the first half of my career had no rules support was vague came with poor advice and were even philosophical Those clinicians and trainers who trained me were terrific individuals with a noble effort to teach me the right way However there sure seemed to be many right ways Their training was also filled with too much about the tricks of the trade and not enough about the trade I was never instructed to trust the rules Over the last four decades we have become conditioned to accept less and less in the name of style philosophy and appearance We must get all Officials committed to enforcing the rules and they can't do that if they don't know them This book is long overdue because it is my attempt to let the basketball world hear the words of Peter Webb my mentor and the most knowledgeable person on the planet on the topic of basketball officiating We know you'll enjoy and benefit from reading this officiating textbook

**Training Basketball Officials** Larry C. Robinson, 2000 The Church has historically played a significant role in the development and preservation of African American families Despite the tremendous difficulties experienced by African Americans as a result of slavery and the racism that has heretofore plagued American society the church and family remain by virtually all accounts the two most enduring institutions in African American life The Black Church and family have been seen as a union that is indelibly connected with the life of either inextricably linked to the strength of the other As in the past the future vitality and preservation of African American family life will depend largely upon how churches wholistically address the needs that exist within the family context African American family preservation involves the appropriation of those spiritual and temporal resources including values traditions methods processes systems philosophies and theologies which will result in the ongoing sustainment vitality and valuation of family structures and communities This book offers a framework for the church s engagement in the task of African American family preservation The primary objective is to

develop a model that can be used by churches to support the critical needs of African American families The overall concern involves discovering ways in which we might better understand the contemporary African American church in relationship to the families which comprise it and the community in which it resides The objective here is to ascertain beyond any particular denominational distinctive or theological strand the effects of these and other theologies upon the Black church and family life
