followed by death without seeing the Red Sox win a Series But once he was able to type those life changing words Bill Simmons decided to look back at his Sports Guy columns for the last five years to find out how the miracle came to pass And that s where the trouble began Why didnt he see it coming Why didn t it happen sooner What was the key deal the lucky move the funny bounce the sign from above that he failed to spot Pretty soon The Sports Guy was second guessing himself rewriting history sniping at his own past predictions pounding the table that s what sports guys do right And doing so he let himself get sidetracked by the suffering of the Boston Bruins frustrated by the false promise of the Celtics and driven into a state of ecstasy by the dynastic New England Patriots The result is Now I Can Die in Peace a hilarious and fresh new look at some of the best sportswriting in America with sharp critical commentary and fresh insights from the guy who wrote it in the first place
