Natural Born Angel:

Natural Born Angel Scott Speer,2013-04-01 Maddy's life changed completely when she became the girlfriend of the hottest Angel around. But she never imagined that she'd become more famous than Jackson. Unfortunately for Maddy, she's an irresistible PR opportunity soon her popularity soars higher than any Angel's. Her relationship cannot cope with the pressure.

Natural Born Angel Scott Speer,2013-04-23 Life turned upside down for Maddy Montgomery when she found out she was half Angel and was catapulted into the scene of flashbulbs, paparazzi and the fervent adulation that comes with being in the celebrity Angel world. She's trying to juggle her ordinary life, high school, family, friends with the intense demands of being in the public eye as heartthrob Angel Jackson Godspeed's girlfriend. And now Maddy must face the most difficult choice of her life. She's been offered the chance to become a Guardian. This means entering into dangerous and high stakes training with no guarantee that she can succeed. But more than that, it would mean leaving her mortal life behind forever and allying with the Angels at a time when their relationship with humans is heading for war.

Natural Born Angel Scott Speer,2013 Maddy has been juggling her life of high school, family and friends with the demands of being Angel Jacks Godspeed's girlfriend, but as war threatens, she must choose her Angel side or her human one once and for all. *The First Natural Born Angel*, 2017-10-19 Sean Cross, the first natural born Angel ever born, is growing up fast. He thinks he is in love with a reaper girl he met at the reaper's ball until Sven arrives. Sven is a very special cherub who was specifically selected by the Archangels for Sean, and Sean finds himself falling for the dual gendered boy that captures his heart. When Sean gets an opportunity to become a reaper like his Uncle William, Sean becomes best friends with a young, attractive Japanese samurai named Shiro who is his partner in the field. Shiro has a crush on Sean but gets the attention of Calis Midnight who, due to the disloyalty of his husband Sebastian Black, finds himself attracted to the young man. Problem is, Sean and Sven also have feelings for Shiro. Shiro finds himself in a rather unique situation as he is undeniably attracted to Calis for his intelligence and beauty but is also attracted to Sean, whom he has feelings for. Although Sean is more action than words, Sebastian must prove himself to his tiny husband in a challenge for Calis's affections. Sebastian doesn't like to share, especially his precious husband whom he loves more than anyone. Meanwhile, Ripley returns to bring Anne back to life to fulfill the desire to have the family back he lost. Sean ends up in deep peril because of this, and a battle ensues between the demons and Angels. In lieu of this drama, the family also ends up housebound with an illness that almost takes the lives of Calis and Ashton. Unfortunately, when things seem to look up for the family, Lucifer captures Calis due to an argument between Calis and Sebastian where Calis is taken to hell and Lucifer does not wish to give up his new weapon that can incapacitate Archangel Michael's Angels with his voice. The Archangels and their children must infiltrate hell to bring Calis back. In hell, even the strongest-willed person can break, and with the Prince of Lies' illusions, Calis is tricked into seeing Sebastian's face as he tears the young man's world apart.
