Naughty Therapist Jess Kolbe:

The Naughty Therapist Jess Kolbe, 2015-12-03 Jess Kolbe an experienced therapist takes on the medical and pharmaceutical philosophy of prescribing pills and labeling people with a fierce compassion for trauma survivors She calls herself the naughty therapist because she proposes that people suffering from posttraumatic stress disorder and other forms of trauma should search outside the confines of the profession to solve their problems Without rejecting either therapy or medication she argues that people don't heal solely from professional interventions they need much more than a pill or sitting down in a chair listening to a therapist's soft voice Weaving in details from her own life and examples from therapy sessions she reveals positive steps that you can take to regain control of your life or help a loved one regain control of theirs stopping myths about PTSD depression and other conditions in the process Spark an honest conversation with yourself and others and get practical help in recognizing and working through trauma with incredible insights from The Naughty Therapist Love Me, Loudly Jess Kolbe, 2021-06-07 I never knew love could be like this I never thought that I could be loved Love didn't feel like an option for me I could have never dreamed of nor even considered the love that exists within me Evie Love Me Loudly is a rare combination of a spicy romance novel and a truly inspiring fictional self-help love story Between Evie's passionate lovemaking encounters with Sam the book tackles her emotional struggles with overcoming relationship trauma and anxiety problems as she learns to live life to the fullest and allows herself to be emotionally naked for the first time in a very long time Take an internal stroll through Evie's mind a fiercely smart and deeply wounded woman as she fights to reclaim her life from the anxiety that plagues her and wrestles with a desperate need to be in control She has always known that deep down she's too damaged too controlling too anxious to experience true love But still a small voice a flicker of hope exists
