The Bluejackets' Manual Ridley McLean,Norman Reeve Van der Veer,1917 **The Bluejacket's Manual, United States Navy. 1922** Ridley McLean,Charles Carroll Soule,United States. Navy Department,1924 **Navy Customer Service Manual** ,1989 *The Bluejackets' Manual* Thomas J. Cutler,2002 In 1902 when Lt Ridley McLean first wrote this sailor s bible he described it as a manual for every person in the naval service One hundred years later it continues to serve as a primer for newly enlisted sailors and as a basic reference for all naval personnel from seaman to admiral New technology is artfully blended with ancient heritage facts and figures are augmented by helpful advice and the mysterious language of the sea is preserved and deciphered in a volume that has served the United States Navy for an entire century Updated throughout the book provides the latest Navy ratings uniforms ships aircraft and weapons as well as current Navy policies on hazing fraternization education and physical fitness and a completely new chapter explaining the Navy s mission in terms of its rich heritage *Navy Program Guide* United States. Department of the Navy,2014 **NavCivGuide** Thomas J Cutler,2008-09-01 The success of the U S Navy in its more than two centuries of existence is due not only to the essential contributions of Sailors on active duty and in the reserve but to the civilians who have worked as part of the Navy since its earliest days But active and reserve Sailors go to boot camp or officer candidate school to prepare them for their new unique occupation And the Navy has long provided The Bluejacket s Manual to incoming Sailors to serve as an introduction and as a continuing reference so that they will feel more comfortable in a new and otherwise alien world where floors suddenly become decks where 1337 is a time in the here and now instead of a date from ancient history and where uniforms are anything but While it is impractical to send all civilian workers to a centralized indoctrination course it is possible to provide a common reference specially designed to acquaint civilians with this very special world they have entered This book is that common reference guide designed specifically for those civilians who like the Sailors in the Fleet serve the nation and the Navy and who need help in understanding where they are and what it is all about All organizations and occupations have their own idiosyncrasies and a big step toward fitting in has always been learning how to talk the talk and walk the walk Like The Bluejacket s Manual this guide provides the words and steps needed to serve as an introduction for new employees and as a ready reference for veteran workers **Watch Officer's Manual, United States Navy, 1917** C. E. Hovey,2008-04 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and
