

# Boilermaker NCEH test questions and answers

---

What is the purpose of the NCEH test for boilermakers?

The NCEH test is designed to assess the knowledge and skills of boilermakers.

At the beginning of the test, the test taker is asked to provide their name and the name of the company they are working for.

The test is divided into two sections: a written section and a practical section.

The written section consists of 25 multiple-choice questions covering topics such as safety, welding, and boiler operation. The practical section consists of 10 questions covering topics such as welding, boiler operation, and safety.

The test is scored on a scale of 0 to 100.

The test is administered by the National Center for Environmental Health (NCEH) and is used to determine if a person is qualified to work as a boilermaker.
