

A scenic view of a tropical property. In the foreground, there's a swimming pool with a concrete deck and two white plastic chairs. To the left of the pool is a lush green bush with red flowers. Behind the pool is a green lawn and a tennis court enclosed by a green fence. In the background, there's a thatched-roof hut and a view of the ocean with waves. The sky is clear and blue.

Near A Far Sea A Jamaican Odyssey:

Near a Far Sea Don Noel, 2006 Russell Wilburn moves to a seemingly quiet small town to start a new life He buys a house that appears to be the ideal setting to begin this new venture Unfortunately strange things begin to happen Mysterious phone calls and ghostly visions lead him to believe the house is haunted He quickly develops a fascination with an old mansion a few blocks away and a cemetery further up the road It doesn't take long to discover that the mansion is inhabited by a crazy old man who is the only living descendant of a once rich and powerful family Everyone in town knows the horrific legend of the mansion Everybody knows of the tales that tie the mansion and the cemetery to Russell's new house On the surface no one admits these places are really haunted However everyone is still afraid of them The notorious spot in the cemetery is considered a children's story of a grave that doesn't exist Still he must go there to answer the questions that will rid his home of its supernatural inhabitants He must brave the infamous cemetery and the haunted mansion with its deadly resident in order to save himself from the unwanted guests in his new home There is only one person who is willing to aid in his fight to save his house and survive Unfortunately that person is already dead
