Neath The Shade Of The Liberty Tree:

'Neath the Shade of the Liberty Tree Steven D. Armstrong, 2011-04 A Stirring Reminder of Our Responsibility to Safeguard Freedom and American Values Steven D Armstrong knows the meaning of freedom From his childhood spent in rural Tennessee to his combat experiences in Grenada he developed a no nonsense philosophy that stresses strong defense a respect for history and a constant awareness of the threats facing liberty Neath the Shade of the Liberty Tree outlines Armstrong s refreshing outlook while recalling a singularly remarkable life that took him around the globe in support of freedom It s an outlook distilled in combat with America s famed 82nd Airborne Division An infantry veteran of Operation Urgent Fury the 1983 liberation of the island nation of Grenada Armstrong saw the evils and oppression of communism up close As Armstrong shows the welcome shade of the liberty tree is the only escape from the evil schemes of mankind Again and again Armstrong shows how this tree must be tended with utmost care lest its sturdy branches wither and die Through richly detailed personal experiences and keen political insight that touches on today s hottest issues this insightful and engaging work challenges all of us to take better care of our republic In the words of Thomas Jefferson The tree of liberty must be refreshed from time to time with the blood of patriots and tyrants *The Southern Poems of the War* ,1867

Setting Down the Sacred Past Laurie F. Maffly-Kipp, 2010-04-30 As early as the 1780s African Americans told stories that enabled them to survive and even thrive in the midst of unspeakable assault Tracing previously unexplored narratives from the late eighteenth century to the 1920s Laurie Maffly Kipp brings to light an extraordinary trove of sweeping race histories that African Americans wove together out of racial and religious concerns Asserting a role in God s plan black Protestants sought to root their people in both sacred and secular time A remarkable array of chroniclers men and women clergy journalists shoemakers teachers southerners and northerners shared a belief that narrating a usable past offered hope pride and the promise of a better future Combining Christian faith American patriotism and racial lineage to create a coherent sense of community they linked past to present Africa to America and the Bible to classical literature From collected shards of memory and emerging intellectual tools African Americans fashioned stories that helped to restore meaning and purpose to their lives in the face of relentless oppression In a pioneering work of research and discovery Maffly Kipp shows how blacks overcame the accusation that they had no history worth remembering African American communal histories imagined a rich collective past in order to establish the claim to a rightful and respected place in the American present Through the transformative power of storytelling these men and women led their people and indeed all Americans into a more profound understanding of their interconnectedness and their prospects for a common future **Historic American Trees** Katharine Stanley Nicholson, 1922 Every Other Sunday ,1902 *The Story of Portus* Mary Hall Leonard, 1894 *The Printers' International Specimen Exchange* ,1880 **Brochure of Bunker Hill.
