Spotify Teardown Maria Eriksson, Rasmus Fleischer, Anna Johansson, Pelle Snickars, Patrick Vonderau, 2019-02-19 An innovative investigation of the inner workings of Spotify that traces the transformation of audio files into streamed experience Spotify provides a streaming service that has been welcomed as disrupting the world of music Yet such disruption always comes at a price *Spotify Teardown* contests the tired claim that digital culture thrives on disruption Borrowing the notion of teardown from reverse engineering processes in this book a team of five researchers have playfully disassembled Spotify's product and the way it is commonly understood Spotify has been hailed as the solution to illicit downloading but it began as a partly illicit enterprise that grew out of the Swedish file sharing community Spotify was originally praised as an innovative digital platform but increasingly resembles a media company in need of regulation raising questions about the ways in which such cultural content as songs books and films are now typically made available online *Spotify Teardown* combines interviews participant observations and other analyses of Spotify's front end with experimental covert investigations of its back end The authors engaged in a series of interventions which include establishing a record label for research purposes intercepting network traffic with packet sniffers and web scraping corporate materials The authors innovative digital methods earned them a stern letter from Spotify accusing them of violating its terms of use the company later threatened their research funding Thus the book itself became an intervention into the ethics and legal frameworks of corporate behavior

Lies My Gov't Told Me Robert W. Malone, 2022-11-15 A WALL STREET JOURNAL NATIONAL BESTSELLER AS SEEN ON TUCKER CARLSON TODAY AND THE JOE ROGAN EXPERIENCE A guide for the times breaking down the lies about COVID 19 and shedding light on why we came to believe them When he invented the original mRNA vaccine technology as a medical and graduate student in the late 1980s Robert Malone could not have imagined that he would become a leader in a movement to expose the dangers of mRNA vaccines that billions of people have received too often without being informed of the risks For

voicing opposition to the mainstream narrative Dr Robert Malone was censored by Big Tech and vilified by the media But he continues to speak out and alert the world to the web of lies that we have all experienced From vaccine safety and effectiveness to early treatments like ivermectin to lockdowns masks and more Dr Malone is the signature dissident voice telling the other side of the story about COVID the role of corporate media censorship propaganda and the brave new world of transhumanism promoted by the World Economic Forum and its acolytes What effect did the COVID policies have on lives livelihoods and democracies How is it possible that the lies spread by governments would persist and that our institutions would fail to correct them Lies My Gov t Told Me takes a hard look at these questions and illustrates how data information and psychology have been distorted during the pandemic Governments intentionally weaponized fear to mold behavior The media smeared anyone who objected to the narrative And Big Pharma aligned with larger globalist interests exemplified by the likes of Bill Gates and the World Economic Forum had captured the agencies that are supposed to regulate it long before the pandemic began Dr Malone explores these perverse connections between Pharma government and media and tells us what can be done about it With contributed chapters from other leading thinkers such as Dr Paul Marik and Professor Mattias Desmet and drawing upon history psychology and economics Lies My Gov t Told Me looks at COVID from numerous angles Never satisfied with a simple answer or easy solution Dr Malone proposes multiple action plans for a better future Dr Malone calls on each of us to find our own solutions our own ways to resist the control of fascist corporatist and totalitarian overlords If we are to step out of the darkness toward a world that defends the principles of the Constitution upholds individual rights and honors free speech we all must play a part in the transition
