From USA Today bestselling author Jennifer Sucevic comes a steamy enemies to lovers forced proximity new adult sports

romance collection that is laugh out loud funny featuring three strong heroines and the cocky hockey players who fall first and hard for them

Hate to Love You Brody McKinnon is Whitmore University's star defenseman destined for NHL greatness. He made a name for himself playing juniors before gracing us with his esteemed presence. As much as it pains me to admit it, he's exploded at the college level. While other girls fall all over themselves trying to gain his attention, I do my best to steer clear, just as I would a particularly nasty case of crabs. For reasons I can't fathom, Brody takes great pleasure in messing with me. And I, in return, enjoy slicing him to ribbons with my razor sharp tongue. You'd think after three years he'd learn to keep his distance. No such luck. Unfortunately for me, I'm about to experience the worst week of my life. It starts with my ex announcing at a party that I'm a lousy lay. He's the hockey playing jerk I dated last year who left a bad taste in my mouth.

eyeroll seriously get your mind out of the gutter. Want to guess who rides in on his trusty white steed to rescue me? Or should I say opens his big mouth? Yup, you guessed it, Brody freaking McKinnon, the guy I love to hate. He only makes matters worse by telling everyone that we're together and then punching Reed in the face. The first I plan on strangling him for. The second I'm only sorry I didn't get to Reed first. Now I'm stuck fake dating Brody, the one guy who makes me feel like a rabid dog on a choke chain for the foreseeable future. I guarantee we won't last more than seventy-two hours without me killing him.

Just Friends Emerson and I met freshman year of high school and we've been tight ever since. I've been pretty good about keeping her locked in. The girls I don't think about having sex with part of my brain. Which is no easy feat because let's face it, unless we're related, you're potential spank bank material. Luckily for me, Southern University has an overabundance of Red Devils hockey groupies, which means there are always plenty of puck bunnies for me to choose from. I'm just careful to make sure they look nothing like Em. So it should be all good in the hood, right? Wrong. I'm embarrassed to admit this, but lately I can't seem to get it up. Unless an image of Em pops into my head. Then it's all systems go. It's a messed up situation. One Emerson is blissfully unaware of. And that's exactly the way it needs to stay. What I've learned is that friendship is a hell of a lot harder to come by than hookups.

Ready for a complication It turns out that Em is a virgin. And she wants me to be the one to well, take care of business. You better believe I shot down the idea before it could gain traction in my brain. Maybe Em doesn't realize it, but remaining friends after you've slept with someone happens about as often as spotting a tie-dye colored unicorn that craps sprinkles. If it weren't rare, everyone would be doing it right. Exactly. As far as I'm concerned, Emerson has remained a virgin for this long. She can damn well wait to do the deed until after we part ways next year. Unfortunately, my best friend has other ideas. Which pretty much means I'm screwed. And not in a good way.

The Breakup Plan Grayson McNichols can have his pick of girls on this campus. Just ask him, and he'll tell you that the females of Hillsdale University have a real penchant for sexy hockey playing hotties. Hell, all he has to do is flash a smile in their direction, and they fall right onto their backs and spread their legs. Would I happen to be one of them? Umm, I'm going to plead the fifth on that one. All right, fine. You caught me. I made the mistake of knocking boots with Gray, freshman year. What can I say? I'm a sucker for gorgeous guys with inky black hair.

season as goalie for the Atlanta Venom Ryu Mori is expecting to hear he's the new starting goalie for the team when he's called into management's office. Instead Emmitt Armstrong, the incredibly hot annoyingly bratty rookie, is here to compete for his spot. Emmitt Armstrong is not about to waste the opportunity after grinding his way from the bottom to the top. If the Venom are looking for a meek mild mannered pushover, they've got the wrong guy. Ryu doesn't want to admit the other goalie's smart mouth turns him on. Beating Armstrong at practice feels good, sure, but there are other, more fun ways to shut his rival up. In this league, it's winner takes all. But there's more to life than winning, and if Emmitt and Ryu can get past their egos and competitive natures, they might just discover they work better as partners than they ever imagined possible.

But when things on the ice don't go as planned, they'll have to decide if their rediscovered romance is built to last.
