to be receive a lifetime ban For most people this would be the end to their story one in which their substance abuse would take over and their downfall inevitable However that was not in the cards for Michael Ray Richardson In Banned Richardson opens up about his life both on and off the basketball court discussing all the highs and lows that made him both a hero and a villain Though being reinstated to the NBA in 1988 he would instead have stints in the United States Basketball League and CBA before taking his talents to Europe With stints in Italy Croatia and France he would lead his teams to numerous championships in his decade plus overseas Now back in the states and running youth basketball clinics Banned is Richardson s first opportunity to open up about his life showing that though you may get knocked down even from self inflicted actions the only person that can count you out is yourself With forewords from Hall of Famers George The Iceman Gervin and Nancy Lieberman this is the story of the Michael Ray Richardson as only he can tell it **American Sports** Murry R.
