

HOW TO PREPARE FOR SUCCESSFUL STUDENT LOAN REPAYMENT

Use your FSA ID to log in to StudentAid.gov

01

Your FSA ID (the same you used to complete your FAFSA) will include a username and password. Once logged in, update your personal information and confirm your student loan servicer.

Confirm your student loan servicer

02

Your servicer may vary depending on the type of loan you have. If you don't know who your servicer is, log on to studentaid.gov and visit the "My Loan Servicers" section of your dashboard.

Log in to your loan servicer account and update your contact information

03

Create an account or log in to an existing one via the servicer's website. Review and update your personal contact information, including your email and mailing address, so your servicer can reach you.

Reauthorize or select auto debit for monthly payments

04

If you were previously signed up for automatic debit before the payment pause began, you must reauthorize or select automatic debit through your loan servicer account. This will allow your loan payments to be automatically withdrawn from your bank account every month.

Review payment due date and amount

05

Make note of your monthly payment amount and the date your first payment will be due, and update any changed banking information to ensure you either proactively make a payment by the deadline or are prepared for the funds to be drawn down by auto debit.

Pumpkin Bread Elaine Tassy, 2010-05-14 One night in August when the bar exam was two weeks off he invited Pam to meet his sister Imani Hardway Lee and her husband Anthony for dinner at Bombay Royale He suggested that he stop by her apartment first intent to find out what went on inside He rang her buzzer five minutes before he was due but instead of asking him up Pam told him through the intercom that she was on her way down making a mystery of how her bedroom was decorated whether the apartment was neat or sloppy whether she had a cat He watched her come down the stairs with strappy sandals and muscular shapely legs Leaning against the banister with one foot on a limestone step and the other on the sidewalk Kofi knew hed lost all restraint and was about to become her bitch You know what she said once she pulled the outer door closed and looked down the steps at Kofi I forgot to shave my legs I took a bath with skin softener and everything She frowned Ive got at least a half inch of hair here can we go back up Ill be really fast Imanis husband

Accountant Anthony as Kofi called him was the most uptight black man he knew and if that night was like the others he would have a few choice words for them if they showed up at Bombay Royale more than five minutes late But Kofi was weakened by Pams light coating of plum lipstick her short blue green tie dyed dress and the unshaven hair on her calves Plus going upstairs and waiting while she shaved would get him inside As they walked four flights up a winding staircase to her apartment the want to touch her calf overtook him like the need to use the bathroom She unlocked the apartment door which opened onto a living room kitchen with wall hangings furniture and posters in hues of gypsy red Across her crimson couch were pillows that looked Southeast Asian some with tiny circular mirrors sewn in In the kitchen he saw a clean porcelain sink half a dozen walnut cabinets smudged with flour fingerprints a green plastic garbage pail with a foot pedal and a bag folded over the edges a microwave with the revolving plate Pam sat down on the couch her amused eyes watching him looking around He sat beside her and asked You want me to shave your legs for you Kofi could gauge her hesitation by the way her jaws struggled to spread apart before she said yes He rustled in the bathroom for razors and lotion and poked around her kitchen for an empty yogurt container he filled with warm water Then he set everything on the coffee table and sank onto the couch beside her She extended her hairy leg taut yet buoyant with flesh and he draped it onto his lap Her shin rippled as he slid a finger from her knee to her sandal strings He wanted to bend over and taste her skin but instead he pumped lotion in his hand and spread it in swirls reminded of when hed stepped on her foot at the Indian restaurant and seen her nipples harden He wet the razor and shook it off then dragged it down her calf his lips parted in concentration He was systematic about it working in curving lines There you go Pam He liked using her name in conversation When he switched legs her lips parted as she looked up at him

Fail U. Charles J. Sykes, 2016-08-09 The cost of a college degree has increased by 1 125% since 1978 four times the rate of inflation Total student debt has surpassed 1 3 trillion Nearly two thirds of all college students must borrow to study and the average student graduates with more than 30 000 in debt Many college graduates under twenty five years old are unemployed or underemployed And professors remember them rarely teach undergraduates at many major universities instead handing off their lecture halls to cheaper teaching assistants So is it worth it That s the question Charles J Sykes attempts to answer in *Fail U* exploring the staggering costs of a college education the sharp decline in tenured faculty and teaching loads the explosion of administrative jobs the grandiose building plans and the utter lack of preparedness for the real world that many now graduates face *Fail U* offers a different vision of higher education one that is affordable more productive and better suited to meet the needs of a diverse range of students and one that will actually be useful in their future careers and lives
