about the publishing industry and how to navigate all the complicated feelings that come with writing a book in this no nonsense guide from literary agent author and creator of the popular newsletter Agents Books Kate McKean Writers all want the secret to getting published the magic formula for a query letter the list of agents who will instantly say yes and the

perfect marketing campaign to hit The List But writing is about so much more than the intellectual act of putting pen to paper writers also deserve reassurance that the emotional highs and lows of writing is a normal valid part of the process And it might seem easier to focus on the nuts and bolts of writing books word counts query letters and author platforms than the messy feelings that accompany writing like doubt fear and hope but the two things are inextricably linked Write Through It is a candid actionable guide to navigating the rollercoaster ride of writing and publishing both on and off the page Literary agent and author Kate McKean has been educating authors and demystifying publishing for years in her popular newsletter Agents Books and now in these pages she walks writers of all genres through every stage of the writing and publishing process and its accompanying emotional moments From the uncertainty of knowing when you should stop fiddling with your book and start pitching to agents to how to deal with the sting of rejection and the elation and fear of getting a book deal Write Through It covers it all Drawing from her own extensive experience McKean goes beyond the practicalities of writing and publishing to address the less talked about emotional side of the journey This book is a must read for any writer looking to understand the full spectrum of the writing life
