**Home** Uvi Poznansky, Zeev Kachel, 2012-09-21 *Home* A simple word a loaded one You can say it in a whisper you can say it in a cry Expressed in poetry and prose in the voices of father and daughter you can hear a visceral longing for an ideal place A place never to be found again Imagine the shock imagine the sadness when a daughter discovers her father's work the poetry he had never shared with anyone during the last two decades of his life Six years after that moment of discovery which happened in her childhood home while mourning for his passing Uvi Poznansky presents a tender tribute a collection of poems and prose half of which is written by her and half by her father the author poet and artist Zeev Kachel She has been translating his poems for nearly a year with careful attention to rhyme and rhythm in an effort to remain faithful to the spirit of his words Zeev's writing is always autobiographical in nature you can view it as an ongoing diary of his life Uvi's writing is rarely so especially when it comes to her prose She is a storyteller who delights in conjuring up various figments of her imagination and fleshing them out on paper She sees herself chasing her characters with a pen in an attempt to see the world from their point of view and to capture their voices But in some of her poems she offers you a rare glimpse into her most guarded intensely private moments yearning for Home

*Twisted* Uvi Poznansky, 2013-07-13 Come into a dark strange world where everything is firmly rooted in the familiar except for some quirky detail that twists the yarn and takes it for a spin in an unexpected direction So prepare yourself keep the lights on If you like to read a horror anthology in the strain of Edgar Allan Poe or if you like to witness the battle between the devil and God you will enjoy outwitting the devil in this book As befitting a dark fantasy it is a woman or rather her ghost who finds a way to outwit him

*Apart from Love* Uvi Poznansky, 2012-02-15 *Apart from Love* is not your typical love story All consuming heart wrenching and dark it is an epic that starts when Ben returns to meet his father Lenny and his new wife Anita It is then that he discovers a family secret How will they find a path out of conflicts out of isolation from guilt to forgiveness

*My Own Voice* As told by Anita Ten years ago

Anita started an affair with Lenny in spite of knowing that he was married and that his wife was succumbing to a mysterious disease. Now married to him and carrying his child, how can she compete with Natasha's shadow and with her brilliance in the past? Given Anita's lack of education, how can she resist his compelling wish to transform her? Can she survive his kind of love? Faced with the way he writes her as a character in his book, how can Anita find a voice of her own? And when his estranged son Ben comes back and lives in the same small apartment, can she keep the balance between the two men whose desire for her is marred by guilt and blame?

*The White Piano* As told by Ben: Coming back to his childhood home after years of absence, Ben is unprepared for the secret which is now revealed to him: his mother, Natasha, who used to be a brilliant pianist, is losing herself to early onset Alzheimer's, which turns the way her mind works into a riddle. His father has remarried and his new wife, Anita, looks remarkably similar to Natasha, only much younger. In this state of being isolated, being apart from love, how will Ben react to these marital affairs when it is so tempting to resort to blame and guilt? In our family, forgiveness is something you pray for, something you yearn to receive, but so seldom do you give it to others. Behind his father's back, Ben and Anita find themselves increasingly drawn to each other. They take turns using an old tape recorder to express their most intimate thoughts, not realizing at first that their voices are being captured by him. These tapes, with his eloquent speech and her slang, reveal the story from two opposite viewpoints. Dealing with the challenging prospects of the marriage of opposites, this book can be read as a standalone novel as well as part of one of family sagas.

Best sellers: *Still Life with Memories* is a family saga series tinged with family saga romance, fraught with marital issues and riddled with the difficulty of connecting fathers and sons.

*The Social Meaning of Extra Money* Sidonie Naulin, Anne Jourdain, 2019-08-29. Why do ordinary people who used to engage in domestic and leisure activities for free now try to make a profit from them? How and why do people commodify their free time? This book explores the marketization of blogging, cooking, craftwork, gardening, knitting, selling second-hand items, sexcamming, and more generally the economic use of free time. It outlines how the development of web platforms, the current economic context, and post-Fordist values can account for this extension of market and labor. Drawing on a range of interviews, ethnographic observations, and quantitative surveys, the contributors question the empowering effects of commodification with a specific focus on how gender and class inequalities affect the social meanings of extra money. Ultimately, the collective findings demonstrate how commodification pervades even the most mundane social activities. This research will be invaluable to scholars and students with a focus on gender and digital sociology, the sociology of work and labour, and the marketization of leisure.
