nonstop action and that's just what happens off the ice. Hockey is the fastest of all team sports, an emotional exhilarating and highly entertaining blend of speed, finesse, intensity and bone-crunching physical impact. And the NHL's Nashville Predators are in every respect a team to watch. But the story leading up to and through the Predators' triumphant first season is every bit as exciting as the game itself. Hockey Tonk tells of one man's dream of bringing a pro team to a city best known for its music industry. The journey from that dream to its fulfillment in an arena filled with 17,000 screaming fans is a story of vision, passion, hard work, perseverance and commitment to long-term success. It's a story of teamwork and hard-nosed competition both on and off the ice. Just a few short years ago, the majority of Nashville, Tennessee didn't know the difference between a blue line and a line dance. But now Music City has become a pro sports town thanks to a fiercely competitive hockey team, its business and community-minded front office and fan support that, according to USA Today, is second to none.

The NHL's Mistake by the Lake Gary Webster, 2021-09-23

The Cleveland Barons should never have existed. Born when the National Hockey League's California Golden Seals, another team that should never have existed, were transplanted to Cleveland in 1976 and greeted with apathy by the dwindling number of hockey fans in northeastern Ohio, the Barons were an embarrassment to the city and to the NHL. The only thing the team had going for them was the state-of-the-art arena they played in, which was all but empty for nearly every game they played. This book chronicles the Barons' two regrettable seasons, a case study in what happens when an ill-conceived professional sports team, created in an expansion splurge, is moved in an effort to save it to a city that doesn't really want it.

Five Overtimes John G. Robertson, Carl T. Madden, 2024-06-06

The quarter century comprising the Original Six years of the National Hockey League is often fondly discussed by the sport's scholarly fans. However, one surprisingly underappreciated jewel from that era is the 1951 Stanley Cup final series between the Toronto Maple Leafs and the Montreal Canadiens. It provided something never seen before in the history of the NHL and has not been seen since: every one of the five games required a dramatic sudden-death overtime period to determine a winner. This book takes an in-depth look at this exciting conclusion to the 1950-51 NHL season as well as an examination of the two playoff semifinal series and a general overview of the goings-on from the 210-game regular season, featuring many amusing anecdotes. As an added bonus, a special chapter discusses the short-life, baffling disappearance and untimely death of Toronto defenseman Bill Barilko, just four months after he notched the Cup-winning tally in April. Also examined is the recent controversy about who really

possesses the historic puck with which Barilko scored his famous goal **Grit and Glory** Lorna Schultz Nicholson,2018-10-30 The complete story of the Edmonton Oilers from Wayne Gretzky and the dynasty years to Connor McDavid and the future and everything in between When the Edmonton Oilers joined the NHL in 1979 the team owner Peter Pocklington proclaimed they would win their first Stanley Cup within five years A bold statement that turned out to be half right they not only won the Cup in 1984 but won it four more times over the next six years forging one of the most dominant dynasties ever The Oilers have always been a team of determination fast scoring hard hitting and creative hockey that has earned them loyal fans across North America The team has faced adversity both on and off the ice As a small market team the Oilers have struggled to compete in the NHL but always found a way From the biggest trade in history that saw the Great One leave for L A to the eleventh hour negotiations that kept the team in Edmonton with a cadre of thirty seven passionate owners there is no club like it And now with super star Connor McDavid leading the roster there s never been greater promise for the future With forty years of NHL action to celebrate acclaimed sports writer Lorna Schultz Nicholson takes a journey back to the Oiler s phenomenal highs and challenging lows the larger than life characters and amazing records to tell the remarkable story of the hardest working club in the game Fully illustrated with rare and exciting images and published in full partnership with the Edmonton Oilers this is the must have book for Oilers fans and hockey fans everywhere The Toronto Maple Leaf Hockey Club Kevin Shea,Jason Wilson,2016-10-18 Published in partnership with the Toronto Maple Leafs and officially licensed by the NHL this is the one and only official Toronto Maple Leafs Centennial publication The Toronto Maple Leafs are one of the most storied franchises in all of sport and without question the most recognized team in all of hockey Through this journey of a hundred years of Maple Leaf hockey fans will read of ups and downs triumphs and tears laughter and laments This publication tells the Leafs complete history and introduces fans to coaches as well as such legends as Apps and Armstrong Kennedy and Keon Broda and Bower Salming and Sundin but also players who wore the Blue and White and left far more modest legacies It takes fans to Toronto s first game the construction of Maple Leaf Gardens and subsequent move to the Air Canada Centre It celebrates Toronto s Stanley Cups and Hall of Fame players and demonstrates that through each exciting season the Toronto Maple Leafs have forever remained our team and enjoyed the incredibly loyal support of a nation of fans Published in complete partnership with the Toronto Maple Leafs and scheduled to release as the Leafs enter their 100th season this official centennial publication includes contributions from many of the biggest names in Leaf history Author Kevin Shea gained unprecedented access to players past and present as well as team executives to offer this book the most compelling informed and accurate portrayal of Toronto s historic hockey team and their important place in both the world of hockey and the culture of Canada Combined with incredible archival photographs and a truly incredible design this is the definitive and must have book for fans of the Blue and White **100 Things Senators Fans Should Know & Do Before They Die** Chris Stevenson,2018-10-02 Most Ottawa Senators fans have attended a game at the
