Secrets of an Untitled Mind Joshua Murphy Dobbs,2020-05-29 In the middle of the quarantine for COVID-19, after reading one memoir after another, Joshua Murphy Dobbs found the inspiration to write his own memoir. Like many others with nothing but time on his hands while out of work, his story unfolded in rapid succession in just eight days. His psychiatrist asked him if he was manic after he shared the news that he had just written an entire book since his last Telehealth appointment with her. The book travels through his childhood of finding out he was biracial to a diagnosis of bipolar 1 while in a psych ward in the Army. His struggles to find the right mix of medications would land him in jail more than once. The story follows his life, giving the reader hope. Even though the story follows his life as closely as it can, being a bipolar writer weaves the reader in and out of his life on a roller coaster. In the end, his tattoos remind him of who he will become.
