The 3 Step Morning Routine System

Andrew Huberman

Version 1.0 (2020)

Thank you for purchasing this guide.

It is my intention to create a morning routine system that is simple and effective. I am not a morning person, and I have struggled to create a morning routine that I can stick to. I have tried many different routines, but none of them have worked for me. I have finally found a routine that I can stick to, and I want to share it with you.

Here is the 3-Step Morning Routine System:

1. If you already have a morning routine, then you can skip this step. If you do not have a morning routine, then you will need to create one. I will provide you with a list of questions to ask yourself to help you create a morning routine that works for you.
2. If you already have a morning routine, then you can skip this step. If you do not have a morning routine, then you will need to create one. I will provide you with a list of questions to ask yourself to help you create a morning routine that works for you.
3. If you already have a morning routine, then you can skip this step. If you do not have a morning routine, then you will need to create one. I will provide you with a list of questions to ask yourself to help you create a morning routine that works for you.

The 3-Step Morning Routine System is a simple and effective system that will help you create a morning routine that works for you. I hope you find this guide helpful and that you are able to stick to your new morning routine.
