Buratti returns in a raucous delicious ride from the celebrated Italian crime writer and author of Bandit Love Cedar Rapids Gazette Padua Italy An unremarkable man a husband and father disappears without a trace After a few months of searching the police send his file to the cold cases department to be thrown in with the files of other missing persons One woman knows the truth about his disappearance but being the daughter of a prominent and wealthy Swiss industrialist she fears coming forward with what she knows that she was his lover and that there is more to his disappearance than another bored suburban husband running out on his wife Stricken by guilt she finally confides in a lawyer who advises her to turn to Marco Buratti a.k.a. the Alligator for help Buratti agrees to assist the woman Initially the case of the woman's missing lover seems like a lost cause but a clue puts the Alligator and his trusted associates Max the Memory and Beniamino Rossini on the trail of the unscrupulous and brilliant criminal Giorgio Pellegrini protagonist of The Goodbye Kiss and At the End of a Dull Day The deadly game of chicken in which the good guys and the bad guys are often hard to tell apart is Carlotto's specialty But good or bad these men are survivors in a world where the once ironclad criminal codes of conduct are disappearing and new criminal syndicates do vicious battle with old A shaded caper and an earnest investigation into the nature of evil that reads like a runaway train and confirms Carlotto as equal to any of the English writing czars of noir LoveReading Gang of Lovers is Italian hard boiled noir but with the shell left on Crime Scraps Review

Pilates: Full-Body Workouts for a Stronger, Sexier You Jasmine Evans, 2012-07-30 ABOUT THE BOOK Pilates is a kind of exercise that works both the mind and the body It improves strength without necessarily building bulk It also targets the core midsection and other muscles that often get neglected by other activities My introduction to Pilates happened at an early age For most of my life I was considered tall for my age with long legs and big feet My parents thought it would be a good idea to enroll their lanky toddler in ballet classes I continued those classes and other dance classes for over 14 years In high school I was a lean 5'8" ballet dancer and basketball player I still had big feet but they were complemented by long legs long arms and a long neck What did I have to complain about My midsection I was relatively slim but I had a pudgy middle In high school where appearances are everything I wanted to do something about it Fortunately around this time my dance instructor introduced the class to the Pilates method She said that Pilates is based off of the ballet moves many of us had been doing for most of our lives She promised that the method would flatten our midsections and make us feel taller My dance instructor made good on her promise After just 15-20 minutes of Pilates before we started dancing I felt taller Over time I felt slimmer I was hooked I've been doing Pilates ever since and I love it I've taken classes and I've done several Pilates DVDs Of all the activities I participate in everything from running to basketball to kickboxing to Zumba Pilates is one that I always come back to because it is really so effective and important EXCERPT FROM THE BOOK Pull the part of your stomach area that is below your belly button upwards and inwards as if you are pulling it away from your belt line Keep your rib cage relaxed and breathe normally You should be able to feel the muscle contracting in your lower abdomen Another essential skill is being able to activate your pelvic floor Your

pelvic floor muscles are at the base of your abdomen They control your bladder and bowel functions They also stabilize not only the pelvis but also the lower back If you have lower back pain are pregnant or experience incontinence learning how to control these pelvic floor muscles can really help How do you activate your pelvic floor Start in neutral spine position Contract the muscles you would use to urinate Breathe as you normally would Once you can handle activating your TA and your pelvic muscles separately try activating them together Ready for some advanced Pilates moves Great Here are six of the most common moves for experienced Pilates pupils Because sometimes it s easier to see the moves being done rather than reading about them many of the links in this section are to videos Advanced Pilates Exercises

The Crab The Crab requires complete control from your core so it will give you a great ab workout It builds on exercises like the Roll Up but is slightly more advanced Start by sitting up straight Bend your knees almost Indian style and cross your feet at the ankles Bring your knees up to your shoulders and grab your feet with your hands Drop your head and allow your spine to curve as you prepare to roll Breathe in and roll back Control the movement Try not to let your limbs flail around Once you roll to your shoulders let go of your feet and switch your feet around Grab your feet again as you prepare to roll up Breathe out and roll forward Inhale as your head touches the mat Roll back to repeat the move

Double Leg Kick This move works the back extensors and the hamstrings primarily but it can be a total body exercise as well Start by lying face down with your head turned to one side and your feet together
