Amazon Natalie Berg, Miya Knights, 2019-01-03 What is the secret to Amazon's success? What does the ecommerce giant have in store for the future? Explore the disruptive new retail strategies of the world's most relentless retailer and gain valuable lessons that can be applied to any business in the ecommerce sector with original insight from the company as it continues to revolutionize itself even further. The retail industry is facing unprecedented challenges. Across all sectors and markets, retailers are shifting their business models and customer engagement strategies to ensure they survive. The rise of online shopping and its primary player, Amazon, is at the heart of these changes and opportunities. Amazon's relentless dissatisfaction with the status quo is what makes it such an extraordinary retailer. This book explores whether Amazon has what it takes to become a credible grocery retailer and as it transitions to bricks and mortar retailing, investigates whether Amazon's stores can be as compelling as its online offering. Exploring the ecommerce giant's strategies, Amazon offers unique insight into how innovations such as voice technology, checkout-free stores, and its Prime ecosystem will fundamentally change the way consumers shop. Written by industry-leading retail analysts who have spent decades providing research-based analysis and opinion on retail strategy and enterprise technology use in retail, Amazon analyzes the impact these initiatives will have on the wider retail sector and the lessons that can be learned from its unprecedented rise to dominance as stores of the future become less about transactions and more about experiences.

Pop Culture in Asia and Oceania Jeremy A. Murray, Kathleen Nadeau, 2016-08-15 This ready reference is a comprehensive guide to pop culture in Asia and Oceania, including topics such as top Korean singers, Thailand's sports heroes, and Japanese fashion. This entertaining introduction to Asian pop culture covers the global superstars, music idols, blockbuster films, and current trends from the eclectic to the underground of East Asia and South Asia, including China, Japan, Korea, India, the Philippines, Thailand, Vietnam, and Pakistan, as well as Oceania. The rich content features an exploration of the politics and personalities of Bollywood, a look at how baseball became a huge phenomenon in Taiwan and Japan, the ways in which censorship affects social media use in these regions, and the influence of the United States on the movies, music, and Internet in Asia. Topics include contemporary literature, movies, television, and radio; the Internet; sports; video games; and fashion. Brief overviews of each topic precede entries featuring key musicians, songs, published works, actors, and actresses; popular websites; top athletes; video games; and clothing fads and designers. The book also contains top ten lists, a chronology of pop culture events, and a bibliography. Sidebars throughout the text provide additional anecdotal information.
