Paleo By Season A Chefs Approach To Paleo Cooking:

Paleo By Season Peter Servold, 2014-07-08 Paleo By Season presents a chef's approach to Paleo cuisine. From day one of culinary school, chefs are taught not to rely on recipes. Instead, they're trained in cooking methods, techniques, and flavor profiles that give them the skills to handle any ingredient in any kitchen anywhere in the world. And it's fresh, local ingredients that chefs care about most. Paleo By Season brings this approach to healthy seasonal home cooking that follows Paleo cuisine's emphasis on whole meats, fruits, and vegetables. It gives home cooks the tools they need to conquer any farmer's market or CSA box; no matter what ingredients they find, they'll have the skills to turn them into something delicious. Essential kitchen skills from roasting poultry to keeping your knife sharp to sautéing vegetables are all clearly explained and broken down into easy-to-follow steps.

The Paleo Chef Pete Evans, 2014-12-30 Acclaimed international chef and television personality Pete Evans takes a whole new approach to making gluten-free, grain-free, and dairy-free, completely Paleo recipes that are worthy of a restaurant but effortless to prepare. More and more people are discovering the health benefits of the Paleo lifestyle by cutting out processed sugary foods and instead eating quality proteins and fats, fresh vegetables and fruits, and nuts and seeds. However, following this way of eating doesn't mean sacrificing flavor or spending a long time in the kitchen. In *The Paleo Chef*, Evans provides more than 100 recipes for gorgeous food that is satisfying, distinctive, and good for you, including Kale Hummus, Vietnamese Chicken Wings, and Key Lime Tart. Each and every one of Evans's innovative recipes pops with flavor and is brought to life with stunning full-color photography. Living and eating the Paleo lifestyle has never been so effortless and so delicious.
