Pan And The Nightmare:

Pan and the Nightmare Wilhelm Heinrich Roscher, James Hillman, 2020-08-22 This brilliant book brings Pan back to life by following C G Jung's famous saying that the gods have become our diseases. Chapters on nightmare, panic, masturbation, rape, and nympholepsy, instinct and synchronicity, and Pan's female lovers Echo, Syrinx, Selene, and the Muses show the goat god at work and play in the dark drives and creative passions of our lives. Includes a full translation of EPHIALTES. Wilhelm Heinrich Roscher's masterful nineteenth-century mythological pathological treatise on Pan and the demons of the night.

Hermes and His Children Rafael Lopez-Pedraza, 2003 Hermes and his Children has become something of a classic among therapists, poets, artists, and readers of many callings. Rafael Lopez Pedraza approaches the soul through myth, pathology, image, and the very living of them all. The love and passion of a man fully in his element radiates throughout this unique work, now updated and expanded for this edition.

Nightmareland Lex Lonehood Nover, 2019-10-08 From a Coast to Coast AM insider, a mind-expanding exploration of sleep disorders and unusual dream states, the scientific explanations and the paranormal possibilities. The sleeping mind is a mysterious backdrop that science is just beginning to shed light on. It was only some sixty years ago that researchers discovered REM, the rapid eye movement cycle that's associated with dreams. In *Nightmareland*, Lex Lonehood Nover travels into the eerie borderlands where the unconscious dreams and strange entities intermingle under the cover of night, revealing wider and hidden aspects of ourselves from the savage and frightening to the astounding and sublime. Encompassing accepted medical phenomena such as sleep paralysis, parasomnias, and *Ambien*, zombies, and the true crime casebook of those who kill while sleepwalking, to supernatural elements such as the incubus, alien abduction, and psychic attacks, Nover brings readers on an extraordinary journey through history, folklore, and science to help us understand what happens when we sleep.

The Reception of Ancient

Virtues and Vices in Modern Popular Culture, 2017-07-31 In *Ancient Virtues and Vices in Modern Popular Culture*, Eran Almagor and Lisa Maurice offer a comprehensive collection of chapters dealing with the reception of antiquity in popular media of the modern era, 19th-21st centuries. These media include theatrical plays, cinematic representations, television, drama, popular newspapers or journals, poems, and outdoor festivals. For the first time in *Classical Reception Studies*, ancient Jewish literature and imagery are included in the discussion. The focus of the volume is both the continuity and variance between ancient and modern sets of values which appear in the new interpretations of the ancient stories, figures, and protagonists.
