Pakistan A New History Columbia Or Hurst:

State and Nation-Building in Pakistan Roger D. Long, Gurharpal Singh, Yunas Samad, Ian Talbot, 2015-10-08 Religion violence and ethnicity are all intertwined in the history of Pakistan The entrenchment of landed interests operationalized through violence ethnic identity and power through successive regimes has created a system of authoritarian clientalism This book offers comparative historicist and multidisciplinary views on the role of identity politics in the development of Pakistan Bringing together perspectives on the dynamics of state building the book provides insights into contemporary processes of national contestation which are crucially affected by their treatment in the world media and by the reactions they elicit within an increasingly globalised polity It investigates the resilience of landed elites to political and social change and in the years after partition looks at the impact on land holdings of population transfer It goes on to discuss religious identities and their role in both the construction of national identity and in the development of sectarianism The book highlights how ethnicity and identity politics are an enduring marker in Pakistani politics and why they are increasingly powerful and influential An insightful collection on a range of perspectives on the dynamics of identity politics and the nation state this book on Pakistan will be a useful contribution to South Asian Politics South Asian History and Islamic Studies **Pakistan** Ian Talbot, 2022-02-22 If Pakistan is to preserve all that is good about its country the generosity and hospitality of its people the dynamism of its youth it must face the deterioration of its social and political institutions Sidestepping easy headlines to identify Pakistan's true dangers this volume revisits the major turning points and trends of Pakistani history over the past six decades focusing on the increasing entrenchment of Pakistan's army in its political and economic arenas the complex role of Islam in public life the tensions between central and local identities and democratic impulses and the effect of geopolitical influences on domestic policy and development While Ian Talbot's study centres on Pakistan's many failures the collapse of stable governance the drop in positive political and economic development and most of all the unrealised goal of securing a separate Muslim state his book unequivocally affirms the country's potential for a positive reawakening These failures were not preordained Talbot argues and such a fatalistic reading does not respect the complexity of historical events individual actors and the state's own rich resources While he acknowledges grave crises still lie ahead for Pakistan Talbot's sensitive historical approach makes it clear that favourable opportunities still remain for Pakistan in which the state has a chance to reclaim its priorities and institutions and reestablish political and economic sustainability The History of British Diplomacy in Pakistan Ian Talbot, 2020-12-28 This book is the first account of the British diplomatic mission in Pakistan from its foundation at the end of the Raj in 1947 to the War on Terror Drawing on original documents and interviews with participants this book highlights key events and personalities as well as the influence and perspectives of individual diplomats previously not explored The book demonstrates that the period witnessed immense changes in Britain's standing in the world and in the international history of South Asia to show that Britain maintained a diplomatic influence out of

proportion to its economic and military strength The author suggests that Britain's impact stemmed from colonial era ties of influence with bureaucrats politicians and army heads which were sustained by the growth of a Pakistani Diaspora in Britain Additionally the book illustrates that America's relationship with Pakistan was transactional as opposed to Britain's which was based on ties of sentiment as from the mid 1950s the United States was more able than Britain to give Pakistan the financial military and diplomatic support it desired A unique and timely analysis of the British diplomatic mission in Pakistan in the decades after independence this book will be of interest to academics working in the fields of South Asian History and Politics International Relations British and American Diplomacy and Security Studies Cold War Politics and History and Area Studies

Apocalyptic Realm Dilip Hiro, 2012-04-17 This hard hitting and timely book explores the roots of militant Islam in South Asia and how it has grown to become a source of profound global alarm By meticulously tracking the rise of the jihadist movement from its initial violence in Afghanistan in 1980 to the present day Dilip Hiro challenges conventional narratives of the roles of Afghanistan Pakistan the Soviet Union the United States and India He warns that the Line of Control in Kashmir where jihadists seek to incite war between nuclear armed Pakistan and India is today the most dangerous border in the world Drawing on evidence from a wide variety of sources including newly released Kremlin archives and classified U S Embassy documents published by WikiLeaks the author compiles the first complete and accurate history of Islamist terrorism in South Asia He chronicles historic links between Pakistan Afghanistan and India and their varying degrees of destabilization at the hands of the jihadists He also sheds unprecedented light on the close military and intelligence links that have developed between India and Israel Finally he outlines the ambitions of Pakistani Afghan and Al Qaida jihadists to establish an apocalyptic realm covering South Central and Western Asia Compact comprehensive and fast paced this book lays bare the causes of today's escalating terrorist threat sets the historical record straight and offers fresh strategies for defeating jihadist extremism

Afghanistan Niamatullah Ibrahimi, William Maley, 2019-11-28 This book offers an overview of the formation of the Afghan state and of the politics economic challenges and international relations of contemporary Afghanistan It opens with an account of some of the key features that make Afghanistan unique and proceeds to discuss how the Afghan state acquired a distinctive character as a rentier state In addition the authors outline a complex range of domestic and external factors that led to the breakdown of the state and how that breakdown gave rise to a set of challenges with which Afghan political and social actors have been struggling to deal since the 2001 international intervention that overthrew the anti modernist Taliban regime It then presents the different types of politics that Afghanistan has witnessed over the last two decades examines some of the most important features of the Afghan economy and demonstrates how Afghanistan's geopolitical location and international relations more broadly have complicated the task of promoting stability in the post 2001 period It concludes with some reflections on the factors that are likely to shape Afghanistan's future trajectory and notes that if there are hopes for a better future they largely rest on the shoulders of a

globalised generation of younger Afghans This book will be of interest to students and scholars in the fields of Middle East and Central Asian studies international relations politics development studies and history India's Near East Avinash Paliwal,2024-07-31 Celebrated as a theatre of geo economic connectivity typified by the Act East policy India s near east is key not only to its great power rivalry with China which first boiled over in the 1962 war but to the idea s of India itself It is also one of the most intricately partitioned lands anywhere on Earth Rent by communal and class violence the region has birthed extreme forms of religious and ethnic nationalisms and communist movements The Indian state s survival instinct and pursuit of regional hegemony have only accentuated such extremes This book scripts a new history of India s eastward looking diplomacy and statecraft Narrated against the backdrop of separatist resistance within India s own northeastern states as well as rivalry with Beijing and Islamabad in Myanmar and Bangladesh it offers a simple but compelling argument The aspirations of Act East mask an uncomfortable truth India privileges political stability over economic opportunity in this region In his chronicle of a state s struggle to overcome war displacement and interventionism Avinash Paliwal lays bare the limits of independent India s influence in its near east The Politics of US Aid to Pakistan Murad Ali,2019-01-22 This book aims at uncovering the politics behind the provision of US foreign aid to Pakistan during three distinctive periods the Cold War the post Cold War and the war on terror Focusing on a comprehensive analysis of aid allocation and delivery mechanisms this book uncovers the primary factors behind historical as well as contemporary US aid to Pakistan so far not thoroughly and empirically studied especially in the post 2001 period of the war on terror Furthermore based on findings that have emerged from interviews with over 200 respondents including government officials representatives of donor aid agencies the private sector civil society organizations and primary beneficiaries of US funded projects this book offers significant insights to researchers policy makers and practitioners interested in the discipline of aid and development effectiveness Making use of both quantitative and qualitative data and based on extensive fieldwork and primary data this book fills a significant gap in the empirical analysis of US aid to Pakistan As such it will be of great interest to students and scholars of Asian and US politics as well as to those who have teaching and research interests in disciplines such as international relations history strategic studies international political economy and development studies *Making Sense of Pakistan* Farzana Shaikh,2018-10-15 Argues that the decline of Pakistan is deeply entrenched with roots in its original national foundations *Political Science Quarterly* ,2008 *The Long History of Partition in Bengal* Rituparna Roy,Jayanta Sengupta,Sekhar Bandyopadhyay,2024-02-13 This book focuses on the aftermath of the 1947 Partition of India It considers the long aftermath and afterlives of Partition afresh from a wide and inclusive range of perspectives and studies the specificities of the history of violence and migration and their memories in the Bengal region The chapters in the volume range from the administrative consequences of partition to public policies on refugee settlement life stories of refugees in camps and colonies and literary and celluloid representations of Partition It also probes questions of memory identity and the

memorialization of events Eclectic in its theoretical orientation and methodology this book will be of interest to scholars and researchers of partition history colonialism refugee studies Indian history South Asian history migration studies and modern history in general

A History of Pakistan and Its Origins Christophe Jaffrelot, 2002 A History of Pakistan and its Origins is a comprehensive detailed and fully up to date study of one of the most diverse volatile and strategically significant countries in the world today Born in turmoil barely half a century ago Pakistan seems to be in an interminable pursuit of its own identity and at the same time finds itself a pivotal player in world politics Its short existence has witnessed much four coups d tat the rise of Islam as a power tensions between ethnic religious and separatist movements the Kashmir conflict and the near constant war footing with India This text charts half a century of nation building in Pakistan while at the same time placing the country within the context of its relations with the outside world

Manufacturing Citizenship Beni, 2005-05-10 In recent years citizenship has emerged as a very important topic in the sciences mainly as a result of the effects of migration population displacements and cultural heterogeneity This book focuses on educational enterprise and how it affects national ambitions cultural preferences and political trends It also examines the major effects of globalisation the large scale movements of populations and the impact this all has in terms of education and citizenship With contributions from an array of international scholars including Etienne Balibar and featuring various international case studies *Manufacturing Citizenship* will be extremely interesting to the education academic community as well as many readers within cultural studies and politics

A Desolation Called Peace Ather Zia, Javaid Iqbal Bhat, 2019-06-05 The accession of Kashmir to the Indian Union in 1947 had raised objections both in Kashmir and India echoes of which continue to be heard even today At the time Sheikh Abdullah was the uncrowned king of Kashmir today his grave is under security lest it be vandalized What accounts for this change in attitude *A Desolation Called Peace* provides important insights to understand the political aspirations of the people of Kashmir and the change in their perceptions since Independence Written and edited by Kashmiri authors this collection of ethnographic essays explores the desire for azadi as a historical and indigenous demand While the accounts traverse the period from before 1947 to the momentous time of 1989 when militancy began the essays illustrate how postcolonial politics has impinged on Kashmiri lives and aspirations thus paving the way for the intractable dispute of today This anthology of deeply felt essays will enable an understanding of Kashmir beyond the hackneyed tropes that portray the issue reductively as a proxy war terrorism or a simple law and order situation
