thrived and explore how things went wrong when we stopped behaving in agreement with our evolutionary past In Part Two we are provided with an Owner s Manual a guide to appropriate and healthy foods with which to fuel our bodies and a step by step plan for implementing this way of eating While you may no longer have time to hunt and forage for your food this book offers modern and simple substitutions for you to use as well as several delicious recipes Written in simple to understand language Paleo in a Nutshell is all you need to find your way back to a healthier and more natural way of living
