Palo Alto James Franco:

Palo Alto James Franco, 2014-05-06 A fiercely vivid collection of stories about troubled California adolescents and misfits

Palo Alto James Franco, 2011 From acclaimed Hollywood actor director James Franco comes a stunning work of fiction the coming of age of a whole generation

A California Childhood James Franco, 2014-08-12 The trade paperback reprint of James Franco's thoughtful reflection on childhood through a series of personal snapshots sketches paintings poems and short stories An actor treads the line between reality and fiction every time he plays a part and for James Franco that exploration isn't limited to the screen he's also a visual artist with several exhibitions under his belt as well as the author of the widely praised story collection *Palo Alto* In *A California Childhood* he plays with the concept of memoir through personal snapshots sketches paintings poems and stories I was born in 1978 at Stanford Hospital and spent my first eighteen years in a single house at the end of a cul de sac in Palo Alto Franco writes in his introduction Steve Jobs's daughter and the grandson of one of the Hewlett Packard founders may have both been in his graduating class but just across the freeway from his home turf lay East Palo Alto which in 1992 had the highest murder rate per capita in the country For Franco the terrain of his upbringing is fraught with the complication of a city divided But within that diversity universal aspects of adolescence rise to the surface and those are the subjects at the heart of Franco's work Ultimately this is a portrait of a childhood brightened by California sunshine but with trouble waiting in the shadows At turns funny dark and emotional the journey of this book delivers an undeniable immediacy And at the end the reader is left wondering just where the boundary lies between Franco's art and his true life

Directing Herbert White James Franco, 2014-04-11 The debut poetry collection by the actor director and writer James Franco I'm a nocturnal creature And I'm here to cheat time You can see time and exhaustion Taking pay from my face In fifty years My sleep will be death I'll go like the rest But I'll have played All the games and all the roles from Nocturnal There's never been a book quite like this Hollywood fame celebrity the promise of becoming an artist is the beast at its center Franco knows it like Melville knows whaling Hollywood in this book devours its young Obsessed with myths about its own past it can be survived only by finding a vantage point that is not Hollywood Bold yet subtle fearless yet disarming Franco has made a book you will never forget Frank Bidart winner of the Bollingen Prize in American Poetry A star studded cast moves like ghosts across the screen of James Franco's poetic consciousness imbuing the writing with scenes of icons who are also humans replete with sorrow and presence in our own psyches James Dean Monica Vitti Catherine Deneuve Sal Mineo Heath Ledger pass and fade The author has a wonderful self reflexive insouciance about his own fame and roles inhabited from Hart Crane to Allen Ginsberg to Harvey Milk's lover Franco is a gifted contemporary Renaissance kind of guy surveying the waterfront of illusion suffering and impermanence We leave the movie theater a little wiser Anne Waldman poet editor scholar and cultural political activist
