The Voice Catchers Joseph Turow,2021-05-18 Your voice as biometric data and how marketers are using it to manipulate you Only three decades ago it was inconceivable that virtually entire populations would be carrying around wireless phones wherever they went or that peoples exact locations could be tracked by those devices We now take both for granted Even just a decade ago the idea that individuals voices could be used to identify and draw inferences about them as they shopped or interacted with retailers seemed like something out of a science fiction novel Yet a new business sector is emerging to do exactly that The first in depth examination of the voice intelligence industry *The Voice Catchers* exposes how artificial intelligence is enabling personalized marketing and discrimination through voice analysis Amazon and Google have numerous patents pertaining to voice profiling and even now their smart speakers are extracting and using voice prints for identification and more Customer service centers are already approaching every caller based on what they conclude a caller

s voice reveals about that person s emotions sentiments and personality often in real time In fact many scientists believe that a person s weight height age and race not to mention any illnesses they may have can also be identified from the sound of that individual s voice Ultimately not only marketers but also politicians and governments may use voice profiling to infer personal characteristics for selfish interests and not for the benefit of a citizen or of society as a whole Leading communications scholar Joseph Turow places the voice intelligence industry in historical perspective explores its contemporary developments and offers a clarion call for regulating this rising surveillance regime **More Sales Please** Sara Nasser Dalrymple,2024-01-08 The ultimate companion for any small business owner Holly Tucker Founder of notonthehighstreet and Holly Co I dare you to read this book and NOT make more sales you couldn t have a better guide Lucy Sheridan The Comparison Coach Filled with straightforward advice that will help your business grow Emma Jones Founder of Enterprise Nation Have you ever Told yourself you re not a natural salesperson Procrastinated on promoting your business because it feels awkward or Launched something new only to be met with deafening silence If you answered yes to any of these then More Sales Please is for you Most business owners have never been taught how to promote what they do with ease until now Say goodbye to guesswork and discover the step by step process to effortless sales in just 30 minutes a day Sara Nasser Dalrymple is a business mentor strategist and educator and the go to sales expert in the small business community Her 20 years of sales and marketing experience and simple actionable advice has helped hundreds of business owners transform the way they feel about selling and achieve long lasting success through confident sleaze free self promotion *Tim Cook* Leander Kahney,2019-04-16 Journalist Leander Kahney reveals how CEO Tim Cook has led Apple to astronomical success after the death of Steve Jobs in 2011 The death of Steve Jobs left a gaping void at one of the most innovative companies of all time Jobs wasn t merely Apple s iconic founder and CEO he was the living embodiment of a global megabrand It was hard to imagine that anyone could fill his shoes especially not Tim Cook the intensely private executive who many thought of as Apple s operations drone But seven years later as journalist Leander Kahney reveals in this definitive book things at Apple couldn t be better Its stock has nearly tripled making it the world s first trillion dollar company Under Cook s principled leadership Apple is pushing hard into renewable energy labor and environmentally friendly supply chains user privacy and highly recyclable products From the massive growth of the iPhone to lesser known victories like the Apple Watch Cook is leading Apple to a new era of success Drawing on access with several Apple insiders Kahney tells the inspiring story of how one man attempted to replace someone irreplaceable and through strong humane leadership supply chain savvy and a commitment to his values succeeded more than anyone had thought possible **The Sales Innovation Paradox** Howard Dover,2022-10-18 Why can t sales seem to catch up with innovation In The Sales Innovation Paradox Howard Dover uses his decade of experience as a sales technologist and professor to answer the question Why has investment in salesperson training and a huge transformation of available technology in the last decade not resulted in more efficacy in the

modern sales world for most companies In addressing this paradox Dover discusses How to develop modern sales methods to become a sales disruptor How digital marketplaces have shaken up the classic sales machine How customer behaviors have changed as a result of technology innovations How organizational and environmental obstacles keep the field in the state of paradox If you re an executive who is feeling that your efforts are decreasing in efficacy and that your investment in technology isn t paying off this book will help you identify the cycles and trends that keep you from achieving your team s full potential It s time to end the sales innovation paradox for you and your team
