Quality in Student Financial Aid Programs National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Panel on Quality Improvement in Student Financial Aid Programs, 1993-02-01 Federal financial aid for postsecondary education students involves both large expenditures and a complex distribution system The accuracy of the needs based award process and the system of accountability required of the 8 000 institutional participants are the focus of this book It assesses the current measures of system quality and possible alternatives such as a total quality management approach The analysis covers steps to eliminate sources of error by reducing the complexity of the application form for example The volume discusses the potential for a risk based approach for verification of applicant supplied information and for audit and program reviews of institutions This examination of the interrelationships among the aid award and quality control activities will be of interest to anyone searching for a more efficient aid system The book can also serve as a case study for other government agencies seeking to examine operations using modern quality management principles

The New College Financial Aid System David Jaffe, 1993 These are the facts strategies and loopholes you ll find it difficult or impossible to learn from the colleges you are applying to If your family earns between 30 000 and 130 000 and you don t want to cash in your retirement funds or take a second

mortgage in order to send your children to college this book is a necessity It tells in layman s terms how to get the largest possible amount of financial aid based on your own unique financial situation You may assume you cannot qualify because your family earns too much or your assets are too great Chances are you re wrong you can be a candidate for college aid Over 23 billion in federal aid is available each year and millions of dollars more are available from American colleges and universities You don t have to be a hardship case to qualify for significant financial aid for educational purposes Middle and even upper middle class families may receive 5 000 and up to 20 000 per year if they learn the strategies clearly and definitively outlined in this book It s all a matter of having the right answers in the right places and David Jaffe will walk you thorough the entire process step by step This book has been rushed to press in order that it can include the very important changes which govern financial aid since the recent passage of the amended Higher Education Act

Verification Survey National Association of Student Financial Aid Administrators (NASFAA),2009 More than three in four college financial aid offices reported an increase in the number of cases where they must verify information on the Free Application for Federal Student Aid FAFSA according to the National Association of Student Financial Aid Administrators NASFAA s latest Quick Scan Survey The increase in the number of verification cases was likely to affect two year colleges and low income students The increases in verification cases couldn t come at a worse time NASFAA Interim President and CEO Joan Crissman said Many financial aid offices are already stretched thin trying to handle record numbers of financial aid applications awards and appeals at the same time they are working to comply with a host of new requirements In addition the increase in verification means that more students have to overcome an additional hurdle to access student aid funds Seventy eight percent of the 729 financial aid offices that completed the survey between October 19 and October 23 reported an increase in the number of aid applicants selected for verification by the U S Department of Education in the 2009 10 award year compared to the previous year Thirty one percent reported an increase below 10 percent while 22 percent reported an increase between 11 20 percent Twelve percent reported an increase of more than 30 percent and 17 percent reported no increase or a decrease NASFAA conducted the survey after hearing anecdotal evidence that the numbers of students chosen for verification had been increasing for the last two years
