Romantasy S In The Us Returns:

Fantasy from A to Z Joe Vasicek, 2011-01-01 From Tolkien to today why fantasy still matters Fantasy isn't just about dragons, quests, and magic; it's about wonder, meaning, and the longing for a world that feels more real than our own. In *Fantasy from A to Z*, author Joe Vasicek takes readers on a journey through twenty-six essays that explore the heart of the fantasy genre: what makes it timeless, what gives it power, and why it continues to speak to us in a world that has forgotten how to dream. From archetypes and epic battles to kings, magic, and the coming rise of noblebright, Vasicek traces fantasy's roots back to the myths and moral struggles that define us as human beings. Part literary exploration, part personal manifesto, this book is a love letter to the stories that shaped us and a roadmap for anyone who believes that the world of wonder is still worth fighting for. **The Compu-mark Directory of U.S. Trademarks**, 1991 **Poets & Writers**, 1999 *Return* Andra-Cristiana Stan, 2020-08-28 Billionaire romance and curvy romance with the touch of unseen forces. *Return* is the third book in the *Icy Shots on a Hot Billionaire* series. Eric and Selena's story continues from where it is left off; only this time, things from the far past come into the present, threatening her life and their baby's. Though you're used to the insane story and the persons they are, more craziness is added as their life gets a touch or more of the paranormal, and how they are bonded from previous lives, a fate that was meant to be for their love story but seasoning it with more dangers, having a series of battles that might put their love and life at stake. Will they prevail, and their pure love for each other and their baby's life will be secured? As a hint of what's coming upon you with this third book in the series, Angel and Satan are no longer just nicknames. They didn't know how right they were. But not against each other. For what's coming their way. Author promises a HEA, though the twists and turns will be as never before. And yes, you'll have same romance, comedy, action, and all the suit you've been used to so far, just added adrenaline. **Denver** Kathi S. Barton, 2023-09-11 Denver Tucker just wants a new start for his family, so he contacts the king of his kind, Ronan Foster, and his wife Brook of Foster's Pride for help. The Fosters are more than happy to help the Tucker family to get a fresh start in California. Bailee Sims is having a rough time. Her former bosses in the US government won't take no for an answer when she refuses to continue working for them. They have made it their mission to make sure she's lost her house and her car and made sure that no business will hire her either. It is that situation that puts her in a long line on opening day for the Foster Tucker Foundation to open its doors. When the man behind Bailee in line whips out a gun to fire on Denver as he's opening the door to the Foundation, Bailee can't react fast enough before the gun fires, but she takes the man down before anyone else is hurt, but she is gravely injured too in the process. Denver just wants to thank the pretty woman for saving his life, but she's in no mood to talk, and when she finds out that Parker made her immortal to save her life, she is more pissed than ever. She has no home, no food, and no job. Living an eternity like that is nothing to look forward to. *Cosmopolitan*, 1992 *Abandon* Trish Heinrich, 2023-05-16 My ex-wife is the only one that can save me. Guess I shouldn't have eaten her favorite Girl Scout cookies. You know, you've still got it bad.

when you haven't taken the wedding ring off a year after the divorce Andy has always been the only one for me The brawn to my brains The hot fudge to my vanilla ice cream The well you get the idea But this isn't the reunion I would've hoped for With feral Orcs and a psychopath bent on world domination hunting us it doesn't exactly leave a lot of time to show her how great I'm doing without her Or to ask her why she left me without an explanation Between the fights about who actually left socks all over the apartment totally her and who was the biggest workaholic maybe a tie we start to realize that the past isn't going to stay buried All it takes is one illicit moment on the back of a motorcycle for us to reignite the passion that used to burn so hot between us Returning to a love that broke both our hearts isn't going to help us survive In fact it might just kill us Problem is we were never good at resisting one another

The Crown: Four Fae for the Princess Book 3 Sadie Waters, 2025-07-15 It's time for our last stand together My kingdom is on the brink of destruction and the only thing more intense than the battle to save it is the fire burning between me and my four mates I never imagined I'd be bound to not one but four powerful men Now with dark forces closing in I need every ounce of magic and every heartbeat to protect everything I hold dear But as the stakes rise so does the heat between us Returning to my homeland is only the beginning I must unite our powers our hearts and our bodies to secure the future of my kingdom But the passion we share isn't just magic it's electric undeniable and impossible to ignore The crown is mine to claim but so are my men And as the lines between duty and desire blur I have to decide if I'm ready to surrender to the burning need we all share or risk losing everything including them Don't miss the final installment in this steamy reverse harem romance

The Stars Would Curse Us Stephanie Combs, Valerie Rivers, 2024-01-10 The Iris were sent to us from the stars but their rule is controlling and oppressive Every season we send our brothers and sisters to the marriage drafts but the selected never return Aella My world falls apart when my best friend and I are drafted to compete for the hand of Esterra's most eligible bachelor the devastatingly handsome Iris prince As an elemental fae it should be the greatest honor but the competition is filled with violence I question my true purpose as we fight to survive in games rigged against us Arianwen Life should be simple go on my rite and return to marry a man I've never met but when a handsome stranger falls from the sky everything is turned upside down Secrets and lies unravel leading me to question everything as I find myself pulled into a rebellion My heart longs for a better world but am I willing to forsake duty in pursuit of it We both face choices Love or duty Loyalty or adventure Fight or surrender Is fate truly written in the stars or have they abandoned us

ENDLESS LOVE, ROMANCE, AND INTIMACY Bukenya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet

we're reluctant to linger over its names. Without a supple vocabulary we can't even talk or think about it directly. As the title **ENDLESS LOVE ROMANCE AND** intimacy indicates, we want to live in a culture where love can flourish. We yearn to end the lovelessness that is so pervasive in our society. This book tells us how to return to love. **ENDLESS LOVE ROMANCE AND** intimacy provides radical new ways to think about the art of loving, offering a hopeful, joyous vision of love's transformative power. It lets us know what we must do to love again. Gathering love's wisdom, it lets us know what we must do to be touched by love's grace. **THERE ARE NOT** many public discussions of love in our culture right now. At best, popular culture is the one domain in which our longing for love is talked about. Movies, music, magazines, and books are the place where we turn to hear our yearnings for love expressed. Yet the talk is not the life-affirming discourse of the sixties and seventies which urged us to believe. All you need is love. Nowadays the most popular messages are those that declare the meaninglessness of love, its irrelevance. A glaring example of this cultural shift was the tremendous popularity of Tina Turner's song with the title boldly declaring **What's Love Got to Do with It**. I was saddened and appalled when I interviewed a well-known female rapper at least twenty years my junior who, when asked about love, responded with biting sarcasm: **Love what's that have never had any love in my life**. Youth culture today is cynical about love. And that cynicism has come from their pervasive feeling that love can not be found. Expressing this concern in **When All You've Ever Wanted Isn't Enough**, Harold Kushner writes, **I am afraid that we may be raising a generation of young people who will grow up afraid to love, afraid to give themselves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out. I am afraid that they will grow up looking for intimacy without risk, for pleasure without significant emotional investment. They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy. Young people are cynical about love. Ultimately cynicism is the great mask of the disappointed and betrayed heart.** When I travel around the nation giving lectures about ending racism and sexism, audiences, especially young listeners, become agitated when I speak about the place of love in any movement for social justice.

Galin Kathi S. Barton, 2014-10-26. Galin knows it's his turn and he isn't having any part of it. He makes no bones about making it clear to Boss either that he both knows what he is up to and isn't going to cooperate. He doesn't now or ever want a wife. This boy you are going to protect is somewhat of a problem child. He has had a great deal thrown at him, but Boy Boss nodded and frowned. **No, I'm sorry, but it should be a woman, not a boy. I'm not; you're going to assign me my wife to care for. I don't want one, but I know it should be female.** What is this about? He pushed the file back at Michael. **You want a wife? It was my understanding that you have no wish to be wed. Am I correct on that?** Galin nodded and looked at the file with the picture of a young boy on it. He appeared to be in his early teens, maybe, but he wasn't much older than that. Galin. **Do you wish for me to reassign you? Do you have no desire to help this young man?** I thought I was going into the rotation to find me a wife. The way that you did for Riss and Agon. He looked up at Boss and Michael who had summoned him today. I had thought that the Mystics were a way for you to get rid of us all and marrying us off was better than having us
