Friedman s *Eccentric America* proved that the most unlikely events and landmarks could become tourist attractions This
award winning title is dedicated to the sheer lunacy of California and her citizens covering the biggest the best the wackiest
and weirdest of the state s people and places From art car and golf cart parades to the Valentine s Day Sex Tour at the San
Francisco Zoo from a festival that moons Amtrak to a town with its own language from obsessed collectors of Pez yo yos and
bananas to kitschy theme motels and a man who built a three storey mountain out of hay adobe and old paint *Eccentric

Just a Little Country Boy LeRoy Thomas Allen,2006 *Just A Little Country Boy* is a story of the trials in the life of a young
black boy born during the late Depression years in Arkansas In 1940 when segregation was at its worst in the South his
father moved the family to Milwaukee Wisconsin in search of a better life An industrial revolution was taking place
throughout the North at the time offering better employment opportunities for the black man Therefore the Black Migration
began with black families leaving the servile attitudes of the South with the dreams of a better life LeRoy Allen was blessed
with good hard working parents who taught him to take pride in himself to work hard use good manners and to respect all
people As a teenager he took an interest in and competed in almost all sports but his big interest was boxing He became
Wisconsin s State Golden Gloves champion for 3 different years Later he spent a few years as a professional boxer meeting
and sparring with many well known boxers of that era As a young adult he became more aware of the prejudices and
inequities surrounding the black man Most of his adult years were spent moving from job to job trying to improve his
circumstances while searching for decent employment to support his growing family After experiencing nearly 50 different
jobs he succeeded in being hired into a position for which he was trained and well qualified He was well into middle age
before the job market began to hire women or blacks into responsible positions Mr Allen records many of the changes in the
attitudes towards blacks in Milwaukee and across the nation as they occurred during the last half of the 20th century It is a
story of faith determination and fortitude and a real insight into our nation s awakening to the talents of our black citizens
and our growing respect for their contributions to our society **McKay's Guide to the Far East and Hawaii** Eleanor
