Ipad Irs Refund Status Review:

The Value of Debt Thomas J. Anderson, 2013-09-16 A New York Times bestseller and one of the Ten Best Business Books of 2013 by WealthManagement.com this book brings a new vision of the value of debt in the management of individual and family wealth. In this groundbreaking book, author Tom Anderson argues that despite the reflex aversion most people have to debt, an aversion that is vociferously preached by most personal finance authors, wealthy individuals and families as well as their financial advisors have everything to gain and nothing to lose by learning to think holistically about debt. Anderson explains why, if strategically deployed, debt can be of enormous long-term benefit in the management of individual and family wealth. More importantly, he schools you in time-tested strategies for using debt to steadily build wealth, to generate tax-efficient retirement income, to provide a reliable source of funds in times of crisis and financial setback, and more. Takes a strategic debt approach to personal wealth management, emphasizing the need to appreciate the value of indebted strengths and for acquiring the tools needed to take advantage of those strengths. Addresses how to determine your optimal debt ratio or your debt sweet spot. A companion website contains a proprietary tool for calculating your own optimal debt ratio, which enables you to develop a personal wealth balance sheet. Offering a bold new vision of debt as a strategic asset in the management of individual and family wealth. The Value of Debt is an important resource for financial advisors, wealthy families, family offices, and professional investors.

What Color Is Your Parachute? 2017 Richard N. Bolles, 2016-08-16 The world's most popular job search book is updated for 2017, tailoring its long-trusted guidance with up-to-the-minute information and advice for today's job hunters and career changers. In today's challenging job market, the time-tested advice of What Color Is Your Parachute? is needed more than ever. Recent grads facing a tough economic landscape, workers laid off, mid-career, and people searching for an inspiring work-life change all look to career guru Richard N. Bolles for support, encouragement, and advice on which job hunt strategies work and which don't. This revised and updated edition combines classic elements like the famed Flower Exercise with updated tips on social media and search tactics. Bolles demystifies the entire job search process, from resumes to interviewing to networking, expertly guiding job hunters toward their dream job.
