journey deep in each man's complex, fragile, flawed and at times dangerous world. The dual story line becomes Renee's callously splintered behavior and unexpected divergence from her own personal life forfeited with seemingly reckless abandon and a manic energy that is not without its own fatalities. The heart of this gripping, forceful story addresses the wounding damage a man's absence creates in the home; the insecurities, rejection, nurtures inside little girls; and the lessons it teaches about men, love, sex, marriage, and parenting to the women they become. In a perceptively imagined way, its narrative beautifully plots the gray subtleties of self-identity and the power it wields over every human relationship with a fast, edgy, hard-nosed pace that is as loving as it is honest about this raw earth. **Sporting Justice** Miriam Wright, 2023-08-22

Although many know about Jackie Robinson's experiences breaking major league baseball's colour barrier in 1947, few are familiar with the Chatham Coloured All Stars, a Black Canadian team from 1930s Ontario who broke racial barriers in baseball even earlier. In 1933 the All Stars began playing in the primarily white world of organized amateur baseball. The following year the All Stars became the first Black team to win a provincial championship. *Sporting Justice* begins with a look at a vibrant Black baseball network in southwestern Ontario and Michigan in the 1920s which fostered the emergence of the Chatham Coloured All Stars in the 1930s. It follows the All Stars eight years as a team, 1933-1940, as they navigated the primarily white world of amateur baseball, including their increasing resistance to racism and unfair treatment. After the team disbanded, Chatham Coloured All Stars players in the community helped to racially integrate local baseball and supported new Black teams in the 1940s and 1950s. While exploring the history of Black baseball in one southwestern Ontario community, this book also provides insights into larger themes in Canadian Black history and sport history, including gender, class, social justice, and memory and remembrance. *2022 Minor League Baseball Analyst* Rob Gordon, Jeremy Deloney, Brent Hershey, 2022-03-15
