Love Pops Up Robyn

Neeley, 2021-03-25 Prickly Patrick Manning always manages to get under Madison Porter's skin The big city expat and new coffee shop owner in quaint Honey Springs hasn't even bothered to try to fit in he won't even properly name his shop with a bee inspired moniker per local tradition Worse his coffee shop space should have been Madison's She'd always dreamed of taking over the town's ice cream parlor and bringing it back to its former glory until Patrick swooped in But when the town discovers Madison actually made the highest bid for the store the competition is on She'll set up a pop up shop in his cafe to see which is more popular ice cream or coffee All's fair in love and war but what happens when their hearts unexpectedly start to melt for each other First published as *One Purrfect Summer*

Disruptive Leadership Rich Kao, 2018-01-02

Disruptive leadership is a topic generating intense interest Companies all over the world are trying to upend their industry through innovative products and services Becoming a disruptive organization however is easier said than done Even more difficult is being a company that continually disrupts Is it possible to discern a code for how companies can achieve this In this highly readable and engaging book a disruptive leadership framework is proposed in which caring deeply is placed at the center of the model By turning care into a focal point a triphasic model is proposed that moves from the personal sphere individual to the corporate arena organizational and then to the global stage impact Nine keys are identified along this path for how companies can realize organizational excellence While care may seem like a soft concept in the rough and tumble world of business it is argued how it is actually an inspired manner for providing direction structure and know how that leads to powerful outcomes Apple is profiled as a leading example of leveraging what is termed the technology of caring deeply Other companies such as Nike IKEA Zappos Starbucks are also profiled Finally a leadership canvas is provided to help activate the lessons shared in the book

Framing and Managing Lean Organizations in the New Economy Darina Lepadatu, Thomas

Janoski, 2020-02-18 This book examines the dominance and significance of lean organizing in the international economy

Scholars from each discipline see lean production as positive or negative the book blends theory with practice by sorting out

these different academic views and revealing how lean is implemented in different ways The first part synthesizes academic research from a range of disciplines including engineering sociology and management to present the reader with an integrated understanding of the benefits and drawbacks of lean management The second part links this theory to practice with a set of case studies from companies like Apple Google Nike Toyota and Walmart that demonstrate how lean is implemented in a variety of settings The book concludes with three models explaining how Toyotism Nikefication with offshoring and Waltonism provide full or less complete models of lean production It clearly presents the positive and negative aspects of lean and insights into the culture of lean organizations With its rich interdisciplinary approach Framing and Managing Lean Organizations in the New Economy will benefit researchers and students across a range of classes from management sociology and public policy to engineering Collier's ,1914 *Journalism Series - University of Missouri* University of Missouri,1912 The Publisher and Bookseller ,1929 Official organ of the book trade of the United Kingdom Journalism Series University of Missouri,1913 **English Mechanic and World of Science** ,1886
